**FATAL FIRE TODAY.** A house fire at 3:35 a.m. today at 705 Jefferson St., West Madison, resulted in the death of a young girl and serious burns to a four-year-old boy living in the home. Officials are investigating the cause of the fire today. Authorities stated the house is beyond repair.

## 'Mayor's forum' is March 11

Three of the four candidates for mayor of Granite City have accepted an invitation from the Tri-Cities Area Chamber of Commerce to a public "Mayor's Forum" in the Granite City Township Hall Monday, March 11, from 7 to 9 p.m.

Incumbent Mayor Paul Schuler and challengers Mac Warfield and Von Dee Cruse have already accepted the invitation and the fourth candidate, Edward Jelf has been sent the invitation but has not yet accepted, according to James Pen-

nekamp, executive director of the Chamber.

A LIST OF 16 questions has been sent to all four candidates, eight of which will be asked at the event, Pennekamp said. The Chamber Board of Directors, just prior to the forum, will select which eight questions will be asked.

"Most questions deal with the future of Granite City, not past history. We are much more interested in what the vision for Granite City is in each candidate's

opinion than the past and I think that is important," Pennekamp told the Press-Record.

"We have tried to be as fair in the treatment of each individual candidate as possible. Rules for the event have been approved by the Chamber's Board of Directors," he added.

THE PUBLIC is being invited to the forum and South-Western Cable TV, Ltd., has been asked to send a crew to either broadcast the event

## Girl, 2, dies in fire

A house fire at 705 Jefferson St., West Madison, at 3:35 a.m. today killed a young child, believed to be about 2 years old, who was living in the home. Madison County Deputy Coroner Edward Werner pronounced the girl dead at the scene at 5:15 a.m.

According to Werner, the girl was found by firefighters in a doorway between two bedrooms at the home. The girl had suffered severe burns.

WERNER SAID that an autopsy will be performed on the girl today. Family members have requested

that Officer Funeral Home, East St. Louis, be in charge of funeral arrangements.

Another child in the dwelling, Rico F. Long, 4, escaped from the burning house. He is in the intensive care unit today at Barnes Hospital, St. Louis, with second and third degree burns to his face, arms and hands, according to authorities.

It is unclear how many other persons were in the home at the time of the fire. Authorities would not comment on the type of heat being used in the home.

**MADISON FIRE** Chief Mike Macke said the house was "fully and totally involved" when fire trucks arrived at the scene. He said 17 men, manning three pumper trucks fought the blaze for four hours.

Macke said he is not sure of the dollar loss in the fire, but the home is a total loss. He will be investigating the cause of the fire today.

The mother of the 4-year-old is Mrs. Tina Long. Other survivors include a grandmother, Lillie Rogers of Madison.

## Madison annexes borrow pit

Despite the fact that Madison County Zoning Board of Appeals refused to issue a permit to Waste Management of Illinois, Inc., to operate a borrow pit in the area of Bend Road and Horseshoe Lake, the Madison City Council Tuesday night approved annexation of the 60 acres, which allows the management company to begin removing dirt for a nearby landfill.

In a trade-off project, Waste Management was granted permission to excavate dirt, starting yesterday from the location, which is south of Bend Road and east of Route 203. The company will grant the city of Madison free trash deposits up to 123,000 cubic yards over a 12-year period. This is an additional 61,500 cubic yards over the previous contract with the Millam East Division of SCA Services. When Waste Management has finished

removing the dirt, it will deed the property's ownership to the city.

AFTER THE aldermen approved annexation of the 60-acre tract, Acting Madison Mayor Thomas Gordon recessed the meeting to allow the city officials and those from Waste Management to sign necessary documents finalizing the agreement.

Originally Madison had a contract with SCA Services for a five-year period and, since Waste Management purchased the property from SCA, they extended the time for use of that land.

The agreement includes a statement that the taxes will be paid by Waste Management until such time as the city assumes full ownership of the land and the management company agrees to reconduct the land by leveling certain areas, planting trees and seeding for lawns.

ACCORDING TO Gordon, the per-

mit was refused by the county zoning board because the Waste Management Co. did not present development plans for the area. The company plans to take 650,000 cubic yards of dirt from the area for use as capping material for the Millam landfill, Gordon explained.

Alderman Donald Garrett asked the value of the 60 acres and was told by Gordon it is estimated at \$170,000. "Since the city will have no money involved in the program, Gordon said, 'I feel this is a very good deal for the city.'"

Casper Nighobossian, city attorney, and Gordon displayed three drawings showing the anticipated development of the acreage that is designated for a possible office building complex, park and lake.

THE LAKE will be the result of the largest excavation and is expected to be completed by (Continued on Page 5)

## Realtors on Plan Commission

The Granite City Council Tuesday night approved the appointment of two real estate agents to the city's Plan Commission Tuesday night.

New members of the commission will include Carl Hoffman of Carl Hoffman Realty Co., and Barbara Wyatt of Realty World Star, Inc. The two will bring a total of 20 years real estate and zoning experience to the commission.

WHEN INTERVIEWED yesterday, Mayor Paul Schuler said he made the appointment after the two requested to serve on the committee. The mayor said he received the requests about six months ago while he was attending a Granite City Board of Realtors meeting. "They expressed to me the sentiment that

no one in the city knows more about planning and zoning than Realtors," he said.

Before the appointments, there was only one member on the current board who deals in the area of real estate sales—that being Ed Reinagel, who is a mortgage banker.

Hoffman said Wednesday afternoon that he is pleased with his appointment to the Plan Commission. "I think we (Realtors) know what's going on around town more than other people because we drive around the city every day," he said. "We know the reasons why people are not moving in and what types of zoning problems people are encountering."

HOFFMAN ADDED that he also

sells property in Madison, so he is familiar with the zoning procedure there. He said this may bring some insight to the Plan Commission.

He said his main task on the board will be to make Granite City a better place to live. "My main ambition is to make Granite City into a thriving community," he said. "I want to get people moving in, instead of people moving out. I want Granite City to go, instead of go down."

Mrs. Wyatt expressed a similar view. "We should have had Realtors on this board all along," she said. "We (Realtors) deal with the problems of zoning every day. That makes us better in touch with the concerns of people interested in both residential and commercial property."

## Cigarette, phone taxes proposed to help increase educational funding

A cigarette tax increase and a new tax on out-of-state telephone calls were proposed Wednesday by Governor James R. Thompson to help provide a \$300 million increase in state funding for public schools.

An additional eight cents per pack for cigarettes would raise approximately \$72 million and a five percent sales tax on interstate telephone calls would raise an estimated \$61 million, the governor said.

IN ADDITION, the state would earmark for education \$196 million from natural growth in other taxes from inflation and other factors, he said, noting that he would be receptive to other suggestions on raising the money.

If the federal government continues its plans to reduce the current 16-cent-per-pack cigarette tax Oct. 1, the additional state tax on cigarettes would only replace half of it, but

Congress is considering extending the federal tax at the present level to help reduce the federal deficit.

Thompson's plans to improve education include a \$15,000 minimum salary for teachers (costing the state \$10 million), removing troublemakers from schools into a statewide alternative education (at a cost of \$13 million), offering planning money to encourage mergers of some school districts (\$1 million), full day kindergartens and pre-school for 3- to 5-year-olds (\$13 million) and "strenuous efforts to eradicate illiteracy" (\$44 million).

IN ADDITION to the \$330 million in increased spending, \$75 million netted from the one-time tax amnesty program will be devoted to improving education.

Thompson said it is essential for Illinois to improve the quality of its public education to remain com-

petitive with other states and to attract new industries.

The new tax on out-of-state phone calls, he indicated, should have been

imposed some time ago to rectify the unfairness of the current 5 percent tax on long distance calls to Illinois cities.

## Voter registration deadline is Monday

Madison County Clerk Evelyn Bowles announced this week the location of four voter registration sessions to be conducted in the Quad-City area prior to the registration cutoff date on March 4.

Voter registrations will be accepted Friday, March 1, from 10 a.m. until 2 p.m. in the Community Room at the Town and Country Apartments, 2572 Parkview Drive.

Also on Saturday, March 2, at the West Madison Memorial Center, 301 Washington St., West Madison, between the hours of 10 a.m. and 4 p.m.

ON MONDAY, March 4, the final

day that voters may register prior to the April 2 election, county registrars will be at three locations, Miss Bowles said.

Locations and times are:

Granite City: City Clerk's office in the City Hall, 2000 Edison Ave., March 4, between 9 a.m. and 8 p.m.

Madison City Hall, 1529 Third St., Madison, March 4, from noon until 7 p.m.

Venice City Hall, Broadway and Klein Street, Venice, March 4 from noon until 7 p.m.

## Cable TV rates rise

Cable TV rates for Granite City, Pontoon Beach and the surrounding unincorporated areas of the county will increase by various amounts beginning Friday, March 1. Increases for basic cable TV range from 20 cents to \$1, depending on where you live and whether or not you are a senior citizen.

Subscribers in Granite City and Pontoon will find an additional 40-cent charge for basic service on their bills while senior citizens in these two communities will only have a 20-cent increase. Charges are now \$8.40 and \$4.20, respectively.

THOSE SUBSCRIBERS living in unincorporated areas will pay \$1 more for basic cable TV service beginning Friday. Senior citizens in these areas will pay only 50 cents more for basic service.

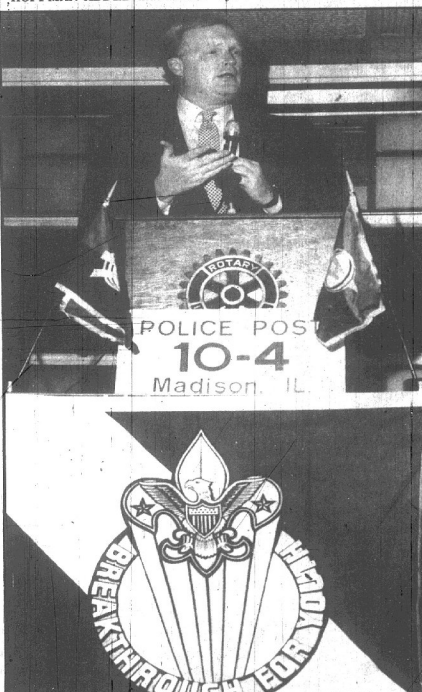

Increases for premium channels offered by South-Western Cable TV, Ltd. will only affect those subscribers with two or more of the

pay channels that discounts are given for when purchased at the same time. These include HBO, Showtime and The Movie Channel. An additional 75-cent charge for each premium channel will be added effective March 1.

Customers now receiving only one of these pay channels will not be charged the extra 75 cents for the premium service. The additional 75-cent charge for each of these pay channels when purchased in combination is, in effect, a reduction of the discount given for multi-channel purchases.

AS OF TODAY, two new channels have been added to the basic cable TV line-up. These are South-Western. These are C-Span, which provided around-the-clock coverage of the U.S. House of Representatives and other governmental functions in Washington D.C., and the Eternal

# Artifacts, history combine for Cahokia Mounds lecture this Sunday

The BBB Motor Site, where archaeologists unearthed the Keller and Birger Figurines, and the Range Site, with its 5,000 features, including house structures, will be featured in the Emergent Mississippian lecture Sunday, March 3, at 1:30 p.m. at the Cahokia Mounds Historic Site Theatre. The Emergent Mississippian lecture is the third of a five-part lecture series entitled "American Bottom Archaeology."

The Emergent Mississippian time period dates from 800 A.D. to 1000 A.D. Outstanding characteristics of this time period will be discussed, such as the important role of corn as a storable commodity leading to the expansion and development of Cahokia as an important center. Other advancements of these people can be seen in permanent farming communities, established trade networks within the local, regional and

more distant areas. Also during this time period is the emergence of Stumpware. A strangely shaped vessel whose function is still unknown and much debated.

Slides and artifacts will be shown by Dr. John Kelly and Douglas Jackson from excavations at the

BBB Motor Site, Range Site, other Interstate 270 highway sites and the Merrell Track, an excavated area at Cahokia Mounds. These lectures are free. The general public may view the artifacts displayed and participate in the lecture and an informal general discussion. These ex-

perts and more will be on hand to answer questions and to identify artifacts.

Other lecture dates are Sunday, April 21, Mississippian time period featuring Cahokia Mounds and Sunday, May 12, Oneota culture and Historic Indians after 1500.

More information is available from the site at 7850 Collinsville Road, East St. Louis, Ill. 62201, telephone 344-5288. Cahokia Mounds Historic Site is located Southeast of Horseshoe Lake off Interstate 55/70 and Routes 111 and 157 on U.S. Business 40 (Collinsville Road).

## Program seeks donations to specific state parks

More than \$35,000 in equipment and cash has been donated to the Conservation Department through its "Helping Our Parks' Endeavors" program in the past 18 months. The project was inaugurated in 1983 as a vehicle for accepting contributions from the public.

In addition, many hours of volunteer work have been contributed to state parks and historic sites as a result of this program,

according to Steve Gonzales, coordinator of Helping Our Parks' Endeavors (HOPE).

The project was initiated to encourage Illinois citizens and corporations to purchase or donate items the Conservation Department needs, but cannot afford to buy, Gonzales explained.

Donations have ranged from park benches and a woodburning stove, tractor, wagons and snowmobiles.

They have come from such diverse sources as corporations, campfire girl units, sportsmen's organizations, women's clubs, birding groups and individual donors, he said. In most cases, the donors have specified that their gift be used at a particular park or historic site, an aspect of the program encouraged by the department, Gonzales added.

Recent donations have included: an ice cream machine for Weldon Springs State Park in DeWitt County, contributed by the Wildlife Prairie Park of Hanna City; a trail groomer for Illinois-Michigan Canal State Parkway, from the 14th Canal Snowmobile Trail Council of Minooka; a dogwood tree for Illinois Beach State Park, Zion, by Krantz Studio, Inc. of Chicago; a Johnson outboard motor for Shabbona Lake State Recreation Area, Shabbona, by John Carter of Downers Grove; a hand operated pump for Volo Bog State Natural Area, near Ingleside, by Chuck Irey; and three vehicle batteries and miscellaneous tools for Lake State Conservation Area, Fulton County, by Sunrise Battery Co.

Among the more unusual of the recent gifts were: the loan of equipment to help restore historic Brodrecht House in Galena, by Renaissance Restorations, Inc. of Galena; approximately 150 pounds of wild birdseed for use at Rallsplitter State Park, Lincoln, by the Lincoln Junior Women's Club; and some 20,000 trail brochures for Rock Cut State Park, Rockford, from the Buffalo Printery and radio stations

WROK-AM and WZOK-FM, Rockford.

In addition, hundreds of historical items have been given to state historic sites for preservation and display, Gonzales noted.

"Donations to Helping Our Parks' Endeavors have enabled the Department to obtain many items for its sites and we are grateful to all who have donated. But our needs remain many and varied," Gonzales said. For example, DOR's Bureau of Lands and Historic Sites can use everything from a \$7 trail sign to trucks costing more than \$15,000. The most immediate goal, Gonzales pointed out, is to obtain pre-fab metal buildings or material to build pole barns.

The Department's Bureau of Natural Resources' "wish list" ranges from boundary signs, costing about \$250, to snowmobiles valued at \$3,000 and vehicles having price tags in the neighborhood of \$5,000, Gonzales reported. A listing of specific items sought by the department is available.

"Of course, one of the more appealing facets of this program is that the donor can request that his contribution be given to a specific state park or other DOC property, and thus far we have been able to honor all such requests," Gonzales said.

For details on Helping Our Parks' Endeavors, including a list of park needs, Gonzales can be reached by phone at 1-217-782-3340, or writing him in care of the Department of Conservation, Gifts and Grants Management Section, 324 S. Second St., Springfield, Ill. 62706.

### VENICE MAN INJURED IN 2-VEHICLE CRASH

Charles A. Caldwell, 26, of 800 Main St., Venice, was injured last week, when his car collided with a truck at the intersection of McCambridge Avenue and Third Street in Madison.

Caldwell told police that he was stopped on McCambridge, waiting to make a right turn onto Third Street, when a brown Ford pickup truck struck his car in the rear. The truck then left the scene, heading south on McCambridge.

### MAN STRIKES VEHICLE AND ALLEGEDLY FLEES

Jeffrey L. Ruckel, 22, of 1935 Benton St., was arrested last week at the intersection of Adams and 21st street, after he allegedly attempted to leave the scene of an accident. Ruckel was charged with reckless driving and failure to give information upon striking an unattended vehicle.

Ruckel's vehicle struck a car owned by Robert Hoese of 2520 E. 24th Street. The car was parked on 21st Street at the time of the accident. Ruckel was traveling west on 21st Street, when his car hit the rear of Hoese's car.

## Nichols says debris keeps Horseshoe Lake level high

By SUSANNE INDELICATO  
of the Press-Record

Nameoki Township resident Bill Nichols told the Nameoki Town Board of Trustees Monday night that trash and debris is blocking a grid on a low-flow gate and keeping water from flowing out of Horseshoe Lake and to the Mississippi River.

Nichols attributes the high level of the lake to the blockage of the gate. "Horseshoe Lake is about a foot higher (than it should be)," he commented.

NICHOLS PRESENTED photographs taken Dec. 23 or 24 of the culvert under the Alton-Southern railroad crossing on Highway 111. "The gate was so trashed up," he stated, "that the lake could not drain into the Mississippi River. We've got to do something, but I don't think we'll get it done through the levy district (Metro-East Sanitary District). Even when they open the low-flow gate, trash comes open. This better be handled and handled fast or you're not going to lower the groundwater level."

Nichols contends that neglect has led to the blockage of the grids. He suggested that township officials contact the Department of Conservation to see if something couldn't be done. "That's a state park. It should not be used as a reservoir," he said.

The grid, Nichols also suggested, could be taken out "with six hours work and a welding torch."

TRUSTEE HELEN Hawkins agreed with Nichols, and suggested

a public meeting with the Metro-East Sanitary District (MESD) Board.

Township Supervisor Harry Briggs instructed Mrs. Hawkins to write a letter to MESD Executive Director Walter "Shang" Greathouse and invite him to the next town board meeting on March 11.

Greathouse told the Press-Record Tuesday that if invited, he will attend the next meeting. He stated that the MESD has no real problem with debris blocking the grid on the gate.

"WE'VE GOT a crane sitting 20 feet from there," he said, "and any time debris gets in there, we just reach in and take it out. The problem is, somebody's been shooting at the crane with armor-piercing bullets."

Greathouse added that the grid should not be removed from the gate. "Without the grid, the debris would end up in our box culverts and flood out everybody in Madison County." The box culverts are located with armor-piercing bullets, he explained.

In a related matter, the Nameoki Board of Health has granted permission to Highway Commissioner W. Lee Adams to purchase and install 2,000 feet of pipe along Warnock Avenue to relieve drainage problems in the area. The board also gave him permission to purchase and install piping and a check valve near a holding pond on Ivy Lane.

ADAMS ALSO plans to open up culverts along Morrison Road.

## No county multiplier on this summer's tax bills

Madison County has been issued a final property assessment equalization factor of 1.000, according to J. Thomas Johnson, director of the Illinois Department of Revenue.

The property assessment equalization factor, often called the "multiplier," is the method used to achieve uniform property assessments among counties, as required by law. This equalization is particularly important because some of the state's 6,600 local taxing districts overlap into two or more counties (including some school fire protection districts and others). If there was no equalization among counties, substantial inequities among taxpayers with comparable properties would result, a spokesman explained.

Under a law passed in 1975, property in Illinois should be assessed at one-third of its market value. Farm property is assessed differently, with farm homesites and dwellings subject to regular assessing and equalization procedures, but with farm land assessed at one-third of its agricultural economic value. Farm land is not subject to the state

equalization factor.

Assessments in Madison County are at 33.35 percent of market value, based on sales of properties in 1981, 1982 and 1983.

The equalization factor currently being assigned is for 1984 taxes, payable in 1985. Last year's equalization factor for the county was 1.0000.

The final assessment equalization factor was issued after a public hearing on the tentative factor. The tentative factor issued in November 1984 was 1.0000.

The equalization factor is determined annually for each county by comparing the price of individual properties sold over the past three years to the assessed value placed on those properties by the county assessor.

If this three-year average level of assessment is one-third of market value, the equalization factor will be one. If the average level of assessment is greater than one-third of market value, the equalization factor will be less than one. And if the average level of assessment is less than one-third of market value, the equalization factor will be greater

than one.

A change in the equalization factor does not mean total property tax bills will increase or decrease. Tax bills are determined by local taxing bodies when they request money each year to provide services to local citizens. If the amount requested by local taxing districts is not greater than the amount received

in the previous year, then total property taxes will not increase, even if assessments increase.

The assessed value of an individual property determines what portion of the tax burden a specific taxpayer will assume. That individual's portion of tax responsibility is not changed by the multiplier, the spokesman added.

What sets Mac Warfield apart is the people he brings together.

## Nameoki trustee objects to minutes on resignation call

Nameoki Township Trustee Helen Hawkins objected Monday night to the minutes of the Feb. 12 Nameoki Town Board of Trustees meeting. Following the reading of the minutes at Monday night's regular meeting, Mrs. Hawkins was the only trustee voting not to accept the minutes because of the way the minutes reflected a call for her resignation.

DURING THE Feb. 12 meeting, Trustee Joseph Garcia suggested Mrs. Hawkins resign from her post because of her refusal to serve on an electoral board that reviewed petitions submitted by Melba Mehelle, who is running for township highway commissioner April 2.

Mrs. Hawkins stated that she refused to serve on the board because a drawing to determine membership on the board was not conducted during the regular meeting of the board.

On Monday night, Mrs. Hawkins stated that the minutes show that the call for her resignation occurred during "old business." Mrs. Hawkins contends that the issue should have been brought up under "new business."

IN A LETTER in the Feb. 18 issue

of the Press-Record, Mrs. Hawkins charged that "Mr. Garcia should have been called out of order, but because Mr. Briggs (Supervisor) Harry Briggs and Mr. Garcia were out to discredit myself, no such action was taken."

In other action Monday, the trustees opened four bids for two dump trucks for the highway department. Of the four, the apparent low bidder was John Novak of Chevrolet of Granite City with a bid of \$44,400 for the two trucks, including delivery.

The bids were referred to Highway Commissioner W. Lee Adams for his review and recommendations.

TOWNSHIP TRUSTEES also were told that the top to a cesspool in the 2000 block of Sixth Street in Madison has caved in. Township officials are concerned that children may fall in the cesspool, since a fence surrounds the area.

Township employees were advised to try to contact the owner of the property, and, in the meantime, temporarily erect fencing around the property.

## Aldermen give motorists a break

Granite City aldermen provided some relief for motorists in West Granite last week by repealing three stop sign ordinances.

Stop signs to be removed include ones at McKinley Avenue and West 20th Street, West 20th Street at Leyden Avenue and West 20th Street at Jefferson Avenue.

Also at the meeting, aldermen approved an ordinance establishing a yield intersection at Colgate Drive and Bradley Avenue. Traffic travel-

ing both north and southbound on Colgate Drive will now be required to yield to traffic travelling on Bradley Avenue.

In other action, a demolition resolution was approved for the building located at 2102 Nameoki Road. According to the measure, the building must be repaired or demolished within 15 days of the publication of the resolution.

pected to have a sand bottom and will cover approximately 30 acres of the 50-acre tract.

In response to a question if there is any possible problem in pursuing plans for commercial development there, the attorney said, "If the city council approves the annexation, this property is then under city jurisdiction and not the county, and I can see no problems unless the EPA or some other state agency would intervene, but that is unlikely."

"The city could continue with the plans we have presented tonight or, if the needs of the city should change, it is possible to have the area rezoned for residential or light industrial use," the attorney added.

A 1,000-FOOT long strip between Bend Road and the Horseshoe Lake shoreline will be upgraded immediately as a park ready for use this summer, Gordon said.

The park will include picnic tables, barbecue pits, fishing piers, playground equipment and possibly a swimming beach, if feasible.

The farmers in the Bend Road area earlier this year protested, contending the landfill would ruin their farmland. The Madison County Board refused a request for a permit

to allow the landfill company to continue to remove the debris. In other business, John Dutko, building inspector, reported 11 permits were issued during the past two weeks. He also informed the council that a project to raze older homes in the West Madison area is underway and these areas will be worked as weather permits. However, the Greendale property is still in limbo until the proper owners can be located, Dutko told the aldermen.

Gordon announced the telephone line to the Madison Recreation Center has been installed for the Human Service program, established at the previous meeting.

Aldermen approved payment of \$1,500 for landscape fees submitted by Robert Getz, who prepared architectural designs for the development of a park at Third and Jefferson streets. When the project is completed, it will include a ramp for the handicapped, be landscaped and feature new playground equipment for the children.

THE COUNCIL granted a two-week extension to Glen Holsford who is serving as humane officer for the city, requested by Mayor Gordon. Holsford is serving on a temporary basis.

live or to videotape it for future broadcasts.

Questions provided the candidates deal in general with qualifications for the office, traffic flow, city finances, business and economic development, annexation, building codes, zoning, sewer breaks, revitalizing the downtown area, the delivery of city services and other concerns.

Each candidate will draw lots to determine the order in which they

will answer the questions. Each candidate then will be given four minutes to answer the question as they deem appropriate.

CLOSING STATEMENTS will be limited to five minutes. Candidates may address any topics they see fit for their closing statements.

Attorney Leo Konzen will serve as moderator for the forum. No questions will be allowed from the audience.

Word Network, with Catholic-oriented religious programming.

In addition to the two new channels, South-Western has shuffled several of the channels on the converter box. St. Louis channels 2, 4, 5, 9 and 11 are now at the same numbers on the converter boxes. Channel 20 and 24 remain at 12 and 13, respectively, on the boxes.

C-Span will occupy channel 6 on the converters and the Eternal Word Network will be aired after 7 p.m. each night on channel 8. The weather channel will now be on channel 3. The Arts and Entertainment

ment channel will move to channel 7 and be aired fulltime.

SOUTH-WESTERN's public access channel, formerly on E-22, now is located at channel 10 on the converter boxes and Chicago's WGN Channel 9, formerly on cable channel 19, has moved to the L-22 position.

**CB RADIO IS TAKEN**

Anthony Ridden of 2402 Washington Ave., told police last week, that someone broke into his unlocked Dodge truck and took a CB radio and two company radios.

**Allen fails to appear for legal fee hearing**

Madison County State's Attorney Dick Allen of Granite City failed to appear before Adams County Circuit Judge Dennis Cashman Monday, after Cashman had requested that Allen be available for testimony in the hearing.

Judge Cashman is expected to rule next week on Bruce D. Locher's demand for nearly \$10,000 in legal fees from Madison County for his investigation into the county's assessment practices.

Cashman appointed Locher, a Springfield attorney, last May to conduct the investigation which led to the indictment of six defendants, including former Supervisor of Assessments James W. Barton.

The judge had asked Assistant State's Attorney Bruce Goldstein and Dan O'Neill to bring Allen to the

courthouse in case Allen's testimony on Locher's fees was needed. Allen has refused to approve the payment of the fees.

At approximately 5 p.m. Monday, Judge Cashman called Allen as a witness, but Goldstein said Allen was unavailable because he was out of the office. Goldstein admitted that Allen left the office after notification of the judge's request.

Allen escaped a contempt of court citation because he had not been subpoenaed to testify.

Locher has filed a motion in the circuit court charging that neither Allen nor Madison County Chief Circuit Judge A.A. Mateosian have authorized the payment of \$9,000 for Locher's work in November and December.

**Weather will determine start of drainage project**

The completion of a drainage project in Granite City officials have worked on for five years is only a sunny day away, according to Acting City Engineer Ed Schulze.

Schulze told aldermen Tuesday night that the only thing delaying completion of the Briarcliff-North Granite Drainage Project is the weather. He said the project has

been left to C.D. Peters Construction Company and work will begin as soon as the weather improves.

THE PROPOSED drainage project would connect the Briarcliff and North Granite retention ponds, thus alleviating some of the flooding which is being experienced by the Norwood-Melrose subdivision residents.

Schulze said the project may be completed within 30 working days, weather permitting. Once the ponds are connected, surface drainage and an escape pond will be put in, before the project will be complete.

The project cost has been estimated at \$60,000. The city currently has \$70,555 in Community Development funds set aside for the project. It is not clear from where the remaining funds for the project will come.

**Park District ice show Monday**

The Granite City Park District will present its annual ice show on Monday, March 4, at the Wilson Park ice rink.

The show, beginning at 7:30, will feature beginner, intermediate and seasoned skaters who participate in the park district's various skating programs. A variety of routines to a wide range of music will be featured during the performance.

The show is directed by Kim Werths, assisted by Beth Hodge.

Births recorded at St. Elizabeth Medical Center include:

**Request for permit for barber shop to be considered**

The Madison County Zoning Board of Appeals will consider a request for a permit to operate a barber shop when the board meets on the property at 10:30 a.m. Monday, March 4.

Goldie Teeter, owner of the property, and Randy Atchley, operator of the shop, want a special use permit to operate the shop on property located in an R-4 single-family residence district at 2031 Fourth St. in Nameoki Township.

The Zoning Board of Appeals also will meet at 11:15 a.m. to consider a request from Fred Hartline, owner, and Ricky E. Jones, purchaser, for a special use permit. The petitioners are asking that an occupant be allowed to live in an existing mobile home in an R-3 one-family residence district at 4123 Division St. in Nameoki Township. The hearing will be conducted on the site.

BURGLAR TAKES TV, MICROWAVE, WEAPONS  
Burglars forced the front door at the home of Mathew Papes, 2628 Center St., and stole a microwave oven and a 25-inch color television. Also missing from the dwelling were a nickel-plated .25-caliber automatic loading pistol of German make, a .22-caliber revolver with a four-inch barrel and a .32-caliber revolver with a two-to-three inch barrel.

40 CHANNEL CB GONE  
A 40 channel CB radio and microphone valued at \$130 was stolen from the 1973 Dodge of Keith Valenzuela, 2455 Washington Ave., while the vehicle was parked in the 1700 block of Edison Avenue, it was reported Monday.

**Neighborhood Watch to meet Saturday**

Venice residents involved in the Neighborhood Watch program are being asked to attend a special meeting at 10 a.m. Saturday, March 2, in the Venice Senior Citizens' Community Center, Klein and Brown streets, Police Sergeant Birl Reed said today.

The special session will focus on planning a spring clean-up, fix-up and paint-up campaign, Sgt. Reed said.

In addition, a member of the Venice Volunteer Fire Department will discuss practical methods of safeguarding dwellings against fire.

Also expected to attend is an insurance representative, who will review various insurance plans for the homeowner and tenants, the police officer said.

Signs stating that specific city blocks are protected through the Neighborhood Watch program shortly will be installed in the community, Sgt. Reed advised.

**CLOTHING, JEWELRY TAKEN**

Karen and Ronald J. Dunnivant of 1432 Sixth St., Apt. 3, Madison, told police last week, that someone took some items from their apartment. The following items were missing: a class ring, a digital watch, two flannel shirts, three pair of blue jeans, one pair of corduroy pants, a set of pillow cases and sheets and a set of curtains. There was no sign of forced entry.

**GORDON ATTRACTS 275**

Supporters of Tom Gordon, candidate for mayor of Madison, say there were 275 persons who attended the official opening of his campaign headquarters. The Press-Record estimated the crowd at 125.

## THE BERGEN BRUNSWIG RECORD

Since you are being asked to carefully consider and vote upon a merger with Bergen Brunswig under which you will receive 1.225 shares of Bergen National Class A Common Stock—tax-free—we believe you should know the following facts about Bergen Brunswig:

### BERGEN BRUNSWIG CORPORATION<sup>1</sup>

### CONSOLIDATED COMPOUND GROWTH RATES FOR THE FIVE YEARS ENDED AUGUST 31, 1984

1. Net sales and other revenue increased 25% per year.
2. Pre-tax earnings from continuing operations increased 28% per year.
3. Earnings per share from continuing operations increased 23% per year.
4. Shareholders' equity increased 24% per year.
5. Stock price increased 38% per year.

As a result of the merger, National stockholders will own 66% of the Class A Common Stock of the combined company—Bergen National—and will share in and benefit by participating in a company that we believe has excellent growth prospects. The Class A Common Stock has the power to elect 10 out of 21 Bergen directors, and its approval, along with the approval of the Class B Common Stock, is required to effect any shareholder action (other than the election of directors).

<sup>1</sup> Information is presented from 1969—the year Bergen Drug Company merged with Brunswig Drug Company; 1982—the year Bergen's sales first hit \$1 billion; and 1984—Bergen's most recent fiscal year.

## A CLOSER LOOK AT LEUCADIA

### FACTS ABOUT LEUCADIA'S MANAGEMENT

- In June 1984 a federal jury, after a trial on the merits, handed down a \$4.5 million verdict against Leucadia's Chairman, I. M. Cumming. The jury found that Mr. Cumming breached his fiduciary duty or duty of confidential relationship to the plaintiffs in connection with his acquisition from the plaintiffs of a controlling position in Leucadia.

In settlement of other claims in this litigation, the full \$4.5 million awarded by the jury for breach of fiduciary duty was paid to the plaintiffs and the breach of fiduciary duty claim dismissed. Leucadia, indirectly and not Mr. Cumming, paid the \$4.5 million.\*

\*The \$4.5 million settlement was reached before the court had a chance to consider the jury's verdict in the same amount. The settlement related to a contract claim which the judge had previously dismissed as premature and resulted in the dismissal of all claims and counterclaims in the original suit with prejudice. See page D-4 of Leucadia's proxy statement for further details about this litigation.

- In 1984 Leucadia proposed to acquire by liquidation various rights and assets of the insurance subsidiaries of Baldwin United Corporation. That transaction was rebuffed by the Arkansas and Indiana Insurance Commissioners, who were charged by statute with preserving benefits to policyholders of those insolvent insurers and who submitted a different plan for the rehabilitation of those companies. Leucadia sought to intervene in court proceedings involving approval of the Insurance Commissioners' plan. In a brief submitted on behalf of the Arkansas Insurance Commissioner by the Arkansas Attorney General, the Insurance Commissioner, acting as Rehabilitator, said:

*"... Leucadia seems very desperate to get their hands on the assets of the Arkansas Companies... Leucadia has done nothing except interfere with the Rehabilitation process in their seemingly never-ending pursuit of profit. The Rehabilitator does not choose to have any kind of on-going relationship with Leucadia and takes the position that neither Leucadia nor its latest scheme are acceptable to her."*

The courts upheld the Arkansas and Indiana Insurance Commissioners' decisions to reject the proposed Leucadia transaction.

### WHAT LEUCADIA TELLS YOU ABOUT THE MERGER

- Leucadia says: you give up "shares for which earnings from continuing operations (after pro forma adjustments) total \$3.87 per share [for] 1.225 shares of the combined company for which earnings from continuing operations (after pro forma adjustments) total only \$3.30 per share". **THE FACT IS, AS A RESULT OF THE MERGER YOUR PRO FORMA EARNINGS ON THE EQUIVALENT SHARES INCREASE BY 46% (FROM \$2.26 TO \$3.30 PER SHARE).**

If you read Appendix A, Note P to Leucadia's proxy statement, you will learn that \$1.60 per share, <sup>1</sup> or 41% of what Leucadia says are National Intergroup's earnings per share from continuing operations (after pro forma adjustments), actually come from accounting adjustments for the merger. **THAT \$1.60 WOULD NOT EXIST WITHOUT THE MERGER.**

- You should question whether Leucadia really believes that rejecting the merger is in your best interests, or whether it wants to defeat the merger so that it can get control of National Intergroup or one of its businesses for reasons unrelated to your interests. After all, Leucadia first became a stockholder of National Intergroup on October 5, 1984—after the National-Bergen Brunswig merger was announced.
- Leucadia has provided an investment banker's hypothetical opinion of "values that could be realized if each of National Intergroup's operating units were sold separately as a going concern". We believe that this opinion:
  - is mere speculation;
  - does not take into account the reserved and unreserved liabilities connected with Weirton Steel;
  - simply assumes away the terms of the contract with our joint venture partner in National Steel, which prohibits a sale of our interest until 1989 (our interest in National Steel represented more than a third of National Intergroup's total book value at September 30, 1984); and
  - does not take into account various important tax and regulatory issues.

We do not believe the orderly sale scenario presented in that opinion is feasible.

<sup>1</sup> The \$1.60 per share is obtained by dividing the \$32.5 million of pro forma merger adjustments which Leucadia says are applicable to National Intergroup by the 20,262,005 shares assumed to be outstanding.

## OUR RECOMMENDATION

Your Board of Directors—two-thirds of whom are independent, outside directors—has unanimously approved the terms of the merger as being in the best interests of National Intergroup and all its stockholders.

The many benefits to National Intergroup stockholders which we believe will result from the merger have been described in the proxy statement and our prior letter to you. We urge you to compare them to the uncertainties of the Leucadia "program". **Leucadia offers you no assurance at all as to when you would receive anything if you support it. Leucadia offers you no**

**assurance at all as to what you would receive if you support it.**

We continue to recommend your approval of the merger and strongly urge you to sign, date and mail your management proxy promptly.

Sincerely,

*Howard M. Love*

Some supermarket chains now claim everyday low prices on meat - what else is new? Shop 'n Save started everyday low prices on all items.

Are you willing to pay for "buzz words" -like "more beef ground beef"? Compare Shop 'n Save's ground beef to any store.

Hundreds of lower meat prices claimed -why now? The beef and hog market hasn't dropped. Have you been "overcharged" by the chains up to now?

The claim of one of the chains is absolutely true - "you don't have to go all over town looking for meat specials" - just come to Shop 'n Save where you'll get the finest quality at the lowest prices.

Don't be misled by "warehouse specials", "prices slashed", "top 20", or "everyday low prices plus weekly specials". There are no "free lunches" - Shop 'n Save offers a consistent low price program. If you haven't shopped at Shop 'n Save at least try us - the money you save can buy your IRA.

## Jason Goodrich

Jason Michael Goodrich, 3-month-old son of Mr. and Mrs. Michael (Mary Favier) Goodrich of Marine, Ill., was pronounced dead at 2:45 p.m. Monday, Feb. 25, 1985, by Madison County Deputy Coroner Dick Mizell at the home of a baby-sitter on Reta Court in Granite City.

Preliminary findings indicate the infant may have died from the Sudden Infant Death Syndrome or crib death; it was learned. An inquest is pending.

Jason was born in Granite City on Nov. 23, 1984. He was of the Catholic faith.

Besides his parents, Jason is survived by two sisters, Amy and Jennifer Goodrich, both at home, and grandparents, Mr. and Mrs. John (Kathleen) Goodrich and Mrs. John (Helen) Favier, all of Granite City.

Mass was said by the Rev. Jim Wasser at 9:30 a.m. today, Feb. 26, at Bob Thomas Memorial Mortuary, 2205 Pontoon Road, where wake services were conducted at 7 p.m. Wednesday. Burial was in Calvary Cemetery, Edwardsville Township. The family suggests memorials to the charity of one's own choice.

## V. Marie Jacobs

Mrs. V. Marie (Grizzard Fitzhugh) Jacobs, 79, of Mitchell, Ill. for three years, died at 10:31 a.m. Monday, Feb. 25, 1985, at St. Elizabeth Medical Center. She was a hospital patient for three weeks.

Born in Stewart County, Tenn., she lived in that area until moving to Mitchell four years ago. Mrs. Jacobs was a member of Trinity Methodist Church in Dover, Tenn.

She and her husband, William Jacobs, who survives, were married Aug. 3, 1931, at Briarcliff Pentecostal Church.

Other survivors include five sons, Robert Fitzhugh of Granite City, Harmon, Sam and Alrick Fitzhugh, all of Dover, Tenn., and Carl Fitzhugh of Paris, Tenn.; two daughters, Mrs. Elmon (Juanita) Pulley of Dover and Mrs. Jerry (Naomi) Gray of Granite City; stepchildren, Mrs. Red (Elva) Burdick, Mrs. Wade (Paulette) Randall and Mrs. Lois Lockhart, all of Granite City, and William Jacobs Jr. of Alto; 26 grandchildren, six step-grandchildren and five great-grandchildren.

She was preceded in death by two sons, Charlie and L.H. Fitzhugh, and a daughter, Mrs. Dorothy Redmond, who died in 1971.

There will be no visitation here although Mercer Mortuary, 1416 Niedringhaus Ave., was in charge of local arrangements. Funeral services will be conducted at 1 p.m. today, Feb. 28, at Trinity United Methodist Church in Dover, Tenn., with burial in the church cemetery. Visitation was Wednesday at Anglin Funeral Home in Dover.

## Joe Russell

Joe Russell, 79, of 1521 Joy Ave., a retired steelworker, died at 6:25 a.m. Tuesday, Feb. 26, 1985, at Oliver C. Anderson Hospital in Maryville. He was ill for one month and admitted to the hospital two weeks before his death.

A native of Stewart County, Tenn., Mr. Russell lived in this area for 43 years. He worked as a core setter at General Steel Industries 27 years and retired in 1965.

Mr. Russell was of the Baptist faith. He and his wife, the former Irene Morgan, were married Jan. 11, 1941, in Tennessee. She died April 24, 1983.

He also was preceded in death by seven brothers, Dean, Paf, Jesse, Lee, Reals, Clint and Fred Russell. Survivors include two daughters, Mrs. John (Pauline) Bucherich of Cleveland, Ohio, and Mrs. Donald (Betty) Cook of Granite City; nine grandchildren and nine great-grandchildren.

The Rev. Jim Donahue conducted funeral services at 11 a.m. today, Feb. 28, at Bob Thomas Memorial Mortuary, 2205 Pontoon Road. Burial was in Sunset Hill Cemetery, Edwardsville Township.

## Girl hit by car on Nameoki Road

An 8-year-old girl was injured at 3:10 p.m. Wednesday when struck by a vehicle on Nameoki Road at Victory Drive.

Tilda Asson, 2701 Kirkpatrick Homes, was taken by ambulance to St. Elizabeth Medical Center. She was treated in the emergency room and was released.

Anna L. Springs, 32, of 2723 Myrtle Ave., was attempting to make a left turn into the southbound lanes of Nameoki Road from Victory Drive when a child ran out in front of her, she said. The motorist applied the brakes, but couldn't avoid hitting the youngster, she reported to police.

Reports said a school crossing guard was walking several children across the northbound lanes of Nameoki Road from the corner of Victory Drive when a vehicle came upon the crossing and struck the child.

One child ran from the group, which was behind him, and across the street where she was hit by the auto, he said.

Other survivors include one daughter, Mrs. Joyce Spence of Chicago; another son, Robert Malherk of Ohio; 15 grandchildren and eight great-grandchildren.

Burial was in Elmwood Cemetery in Chicago.

## Mrs. Malherk dies; mother of Venice man

Funeral services were conducted on Monday, Feb. 11, in Chicago, for Mrs. Gretchen Malherk, 83, of Chicago, mother of James Malherk of Venice.

She died Feb. 7, 1985, following a year-long illness. Mrs. Malherk was hospitalized for four weeks and was a nursing home resident at the time of her death.

Other survivors include one daughter, Mrs. Joyce Spence of Chicago; another son, Robert Malherk of Ohio; 15 grandchildren and eight great-grandchildren.

Burial was in Elmwood Cemetery in Chicago.

He was preceded in death by his father, Elmer Smith, and two brothers, Hugh Gene Smith and Walter Smith. Arrangements are pending at Bob Thomas Memorial Mortuary, 2205 Pontoon Road, telephone 931-2121.

# County officials considering forming civic center authority

By SUSANNE INDELICATO of the Press-Record

Madison County officials are considering the establishment of a Madison County Civic Center Authority.

Such a civic center authority would have independent and continuing powers to receive applications and submit those applications to the state for capital projects in the county.

EXAMPLES of civic center authority projects in other counties, Hagnauer says, include civic centers; renovation and construction of municipal office buildings, including public meeting rooms; restoration of existing downtown theaters and the construction of ice arenas.

"Once created, the authority has certain powers, including the right to acquire and construct, lease, operate and maintain fairs, arenas, office buildings and associated facilities and grounds; to acquire property, to receive grants from state and federal governments and to float revenue bonds for the purpose of carrying out and performing its duties," Hagnauer states.

In a letter read to the Pontoon Beach Village Board Tuesday night, the Madison County Board Chairman Nelson Hagnauer of Granite City said that county officials have been approached by representatives from the Madison County Arts Council to consider creating the authority. If formed, the Madison County Civic Center Authority would include Collinsville, since that city already

has established its own civic center authority.

HAGNAUER IS inviting area officials to a public meeting at 7 p.m. Wednesday, March 6, in the board room at the Madison County Courthouse in Edwardsville to discuss the establishment of an authority.

Hagnauer points out that legislation passed by the Illinois General Assembly several years ago and amended in 1983 allows county boards to create an authority through resolution and to appoint nine members to serve staggered terms of five years.

## GC aldermen make parking restrictions

Granite City aldermen approved Tuesday night legislation which establishes parking restrictions on Denver Street and at the intersection of West Pontoon Road and Rode Avenue.

According to one of the laws, it will be illegal to park on the north and south sides of Denver Street at its intersection with Nevada Avenue and Rock Road for longer than 30 minutes.

The other ordinance will prohibit parking, beginning at the northeast corner of the intersection of West Pontoon Road and Rode Avenue and extending in a northerly direction for a distance of 150 feet on the east side of Rode Avenue.

"Through 1982, nine authorities throughout the state were created," he notes. "The 1983 amendments opened the way for the establishment of authorities throughout Illinois whose projects would be somewhat smaller than the original civic center projects and which would fall under the concept 'community centers.'"

THE REVENUE bonds must be payable solely from revenue income to be derived from the fairs, exhibitions and other activities of the authority.

And, Hagnauer adds, if a majority of the voters in Madison County approve, the authority would have the power to levy and collect a tax.

Violation of either of these laws will result in a fine of between \$10 and \$50.

In other business, a resolution was passed providing for the demolition or repair of a building located at 1357 Edwardsville Road.

Also, a mobile home petition was approved for Tony Holt to place a unit at 2030 Ohio Ave. Holt had received the approval of 70 percent of the property owners within 150 feet on all sides of his property.

## File charges after accident on Pontoon

Kevin J. Johns, 26, of Nebo, Ill., pleaded guilty to driving under the influence of alcohol, leaving the scene of an accident, illegal transportation of alcohol and improperly overtaking on the left in an appearance in the Granite City court Tuesday.

He was fined \$300 and sentenced to 180 days in the Madison County Jail on the DUI charge, but then was placed on one year's court supervision with the jail term to be waived if he complies with the supervision requirements, court reports stated.

Johns was further fined \$225 on the remaining charges and was ordered to pay all fines by a later date before being released.

The charges stemmed from an accident at 12:10 a.m. Tuesday on Pontoon Road, about 150 feet east of Nameoki Road, when Sandra M. Dakins, 33, of 2316 Lynch Ave., was trying make a left turn in her auto from Pontoon into the IHOP parking area.

Mrs. Dakin alleged that a vehicle went around her car on the left side, hitting it, then continued traveling east on Pontoon Road.

Someone at the scene followed the vehicle to the Gaslight Walk area and a Pontoon Beach officer located the car parked in the 400 block of Laura Drive. An open can of beer reportedly was found in the auto and the driver appeared intoxicated, it was alleged.

# Price supporting efforts to obtain GM Saturn plant

By SUSANNE INDELICATO of the Press-Record

U.S. Congressman Melvin Price (D-East St. Louis) informed the Pontoon Beach Village Board of Trustees by letter Tuesday night that he is making efforts to attract the new General Motors Saturn automobile assembly plant to Illinois.

Pontoon Beach officials have submitted a site to GM for consideration for the plant location. The plant will employ 6,000 persons; GM officials have said they would prefer a site that is within a 50- to 60-mile radius to a major university that is in engineering, robotics and communication. GM also wants for the new site to have a dual-rail service, although sites with only single rail service still are being considered.

IN ADDITION, the site should be able to handle an increase of population and should be near a community with a good quality of life and a full range of community services.

Earlier, U.S. Senator Paul Simon (D-Illinois) informed Pontoon Beach officials that he would support them in solving problems that might arise in attracting the plant.

Other business Tuesday night, the village board asked Board President Glen Wilson to set up a conference with Quality Sand, Inc., President Don Peacock.

PEACOCK HAS asked the trustees whether they have any objections to the establishment of a ready-mix operation at Quality Sand. Peacock asked that the trustees consider passing a resolution of inducement supporting Quality Sand's plans to either enter into a business agreement with a ready-mix company or lease Quality Sand to a such a company.

The trustees also approved two resolutions for improvements to a railroad crossing on Lake Drive. The first resolution provides that the village will spend \$5,000 to contract out work to align the roadway with the tracks. The second resolution appropriates funds for engineers to prepare specifications and plans for the work. Funds for the work and plans will come from the Motor Fuel Tax fund.

The road work is in preparation for the installation of automatic crossing gates at the railroad crossing.

## SERVICES HELD FOR AUGUST PRYOR, 57

Funeral services for August A. Pryor, 57, of Granite City were held at 1 p.m. Monday at City Temple Assembly of God Church. Burial was in Sunset Hill Cemetery, Edwardsville Township.

Mr. Pryor died Feb. 22, 1985, at Barnes Hospital, St. Louis. Among the survivors is a brother, Barry Pryor of Granite City, whose name was inadvertently listed as Denny Pryor in the obituary notice.

Alois Komadina, 69, of 2000 Amos Ave., Ill. for two months, died at 10:50 a.m. Tuesday, Feb. 26, 1985, at Christian Hospital Northeast in St. Louis. He was a hospital patient eight days.

Born in Flar River, Mo., Mr. Komadina was a lifelong resident of this area. He worked as comptroller for Hubbell Metals Co., St. Louis for 20 years and retired in 1980.

He was a member of St. Elizabeth Catholic Church and also held membership in Parents Without Partners, Collinsville Chapter, Moose Lodge 272, and the Tax Executive Institute of St. Louis.

His wife, Mrs. Margaret (Harc) Komadina, died Feb. 19, 1966.

Survivors include one son, Dr. Kevin H. Komadina of San Antonio, Texas; a daughter, Mrs. Charles (Betty Ann) Cobb of Granite City, and four grandchildren.

Visitation will begin at 4 p.m. today at Bob Thomas Memorial Mortuary, 2205 Pontoon Road, where a wake service will begin at 7 p.m. today. The Rev. John Shanley will officiate at 10 a.m. services Friday, March 1, at the funeral home with burial in Calvary Cemetery, Edwardsville Township. Masses are requested as memorials.

## Tax tips

If you find that you owe a large amount of federal tax when you file your income tax return each year or if you receive a large refund, you should review your Form W-4, Employee's Withholding Allowance Certificate. In either case, you should complete a new Form W-4 so that more or less tax will be withheld from your paychecks throughout the year.

It is important to note that the IRS has taken a strict approach to curb the filing of false income tax withholding forms by taxpayers claiming excessive number of allowances or total exemption from withholding on the Form W-4. Those who file false withholding certificates are subject to a \$500 penalty.

A new Form W-4 must be filed with your employer within 10 days after you find that an allowance claimed can no longer be taken. Also, you may file a new Form W-4 at any time to change withholding allowances for any other legitimate reason.

Details about withholding can be found in the free IRS Publication 505, Tax Withholding and Estimated Tax.

## Michael Barzoff recruits for Monsanto Co-op

Former Granite Cityan Michael Barzoff recruits for the Monsanto's MIS Co-op program which gives internships to students involved in the data processing field.

An article relating to his position appeared in the January issue of CSD Perspectives prepared and distributed by Washington University in St. Louis.

A graduate of Granite City High School, Barzoff has a B.S. degree in computer science from Southern Illinois University at Edwardsville and MBA from Washington University.

He is married and now lives in Creve Coeur, Mo., and is the son of Mrs. Ann Barzoff of Granite City, and the late Steve Barzoff.

Students are selected to participate in the co-op project to gain work experience before graduation, he explained.

"They are an integral part of the organization, doing meaningful work, and are primary source of new talent for entry-level positions," according to Barzoff, Monsanto Technical Training Manager.

## VENICE MAN, 2 MINORS CHARGED WITH THEFT

Terry Sherrod, 22, of 71 Venice Homes, Venice, and two 14-year-old youths were arrested by Madison Police last week in the 300 block of Madison Avenue after police received a call concerning three young men carrying a handful of gold chains.

After taking the three into custody, the two 14-year-olds were charged with theft by possession. Sherrod was charged with two counts of contributing to the delinquency of a minor, theft by possession and retail theft. Items allegedly found on their persons include five gold chains, three boxes of candy, two bottles of hair gel, two pairs of gold earrings and one loose gold earring.

Sherrod was released on \$200 cash bond.

# Trustees urged to appoint collector

By SUSANNE INDELICATO  
of the Press-Record

Retiring Nameoki Township Tax Collector Norman Hall urged the Town Board of Trustees Monday night to appoint a replacement when his resignation becomes effective today. Hall submitted his resignation to the board last October.

Hall made the suggestion while reading a report in which he contended that taxing districts within the township could lose the interest from tax collections, should collections be turned over to the Madison County treasurer. Hall's report was based on what could happen legally following the passage last year of Senate Bill 1478.

**THE NEW LAW** allows counties to keep five percent of the taxes collected for collection costs. Prior to that, counties were allowed to keep approximately 2.5 percent.

The law also requires that counties distribute the tax monies to taxing entities 30 days after tax payments are due. Taxpayers have 30 days to pay the tax bills after they are mailed out. That means, Hall has charged, that the county could hold tax payments received the day the bills are mailed out for a total of 60 days before distributing money to taxing entities.

In his report, Hall stated that he had five local banks compute the interest that could be earned by county government on Nameoki Township's tax collections. "This is based on the actual amount of collections and exact amount collected each week during our most recent year of collection and the new Senate Bill 1478 at current interest rates," the report states.

**HALL'S FIGURES** show that \$16,412 could be earned in interest on the first tax payment, should the county hold the funds 30 days after the bills are due. Since some taxpayers pay both installments when the first payment is due, Hall calculates another \$3,590 in interest could be earned on these payments.

Once again, should the county hold tax payments for 30 days after the second installment is due, it could earn another estimated \$16,412.

Hall now adds \$28,000 as the five percent the county is legally allowed to keep for collection costs. Another estimated \$1,200 is added for penalties collected and kept by the county.

**THAT BRINGS** the interest and other fees that the county could keep on Nameoki Township tax collections to \$67,614, Hall contends.

Hall's report then adds the in-

terest of which taxing bodies are "deprived," to anticipation warrants at an interest rate of 2 percent above the county earnings. The interest earned on the collections comes to \$38,414, plus 2 percent anticipation warrant interest, or \$768, bringing the total cost in interest for anticipation warrants, if needed, to \$39,182. "Add this to the county's \$67,614 above, and we see that the actual cost to you, the taxpayer, for the sometimes called 'free county collection' is \$106,796," Hall contended.

"Our township has and can continue to collect these same taxes for less than \$10,000 per year. Quite a difference in tax dollars," he continued. He added that the township can eliminate the \$38,414 in interest, "which no longer would be collectible by the county, but earning interest by our taxing bodies because the township collector disperses weekly. This amounts to an additional savings of the \$39,182 to you, the taxpayer, for a total of \$77,596."

**"THIS \$77,596, minus the \$10,000 township collector costs, still nets a \$67,596 savings to the taxpayers of Nameoki Township,"** just by collecting our own taxes rather than using the so-called "free services of our county," Hall stated.

Using those figures, Hall encouraged the Nameoki Township Trustees to continue using the township collector, but with changes in the collector's budget.

He suggested that the trustees budget \$100 per month for the collector's salary, with the stipulation that he is to act as a legislative representative "continuing the fight to change the very unfair laws regarding tax collections by county government. I would further ask that you allow for an increase in his or her salary to \$500 per month during these months that he or she actually does collect, along with a \$3,000 to \$4,000 expense fund."

**HALL SAID** collection costs in the township would decrease to a maximum \$6,000 per year under this plan.

Following Hall's comments, Trustee Helen Hawkins, who led an unsuccessful petition drive last month to abolish township collectors, criticized Hall's report. "I think it would have been great, since no collections were made last year, no salary should have been paid last year."

Due to the late mailing of tax bills in mid-September, township collectors—who are prohibited by state law from collecting taxes after Sept.

1—performed no collection duties.

**TOWNSHIP ASSESSOR** Carl Macios supported Hall's position, saying that the township has to be concerned with tax monies owed to the school districts. "I know what they've (the county treasurer's office) done in the past. They've collected our money and held it 120 days."

Mrs. Hawkins then called Hall's figures "hogwash."

Mrs. Hawkins is supported in her effort to abolish the township collector's position by Madison County Treasurer Michael "Mick" Henkhaus. Contacted Tuesday, Henkhaus told the Press-Record that Madison County is allowed to keep 2.5 percent of the tax collections for collection expenses, but in the past, the county did not keep funds for collection expenses. Last year, the county did keep 2.5 percent after the Madison County Board took action to allow the treasurer's office to keep the money.

**ALTHOUGH STATE** law now allows the county to keep 5 percent of the tax collections for expenses, Henkhaus says it would require a county referendum for the increase to be enacted.

He also noted that state law does allow him to hold tax collections 30 days after tax bills are due, but Henkhaus says he distributes the taxes to taxing districts much sooner than that.

"This year, I distributed funds less than two weeks after the bills went out," he commented. "I could have held that money, but I made six or seven payments before the 30 days after the due date."

**HENKHAUS QUOTED** from his records, which show that 10 weeks after the tax bills were mailed, he had distributed 55.9 percent, or \$46,157,232, of the tax monies received by his office. "I could have been holding that all along and making interest off that," he said.

And if Henkhaus had held the tax records and earned interest on them this year, state law requires that he turn over the interest to the taxing districts.

Next year, he notes, taxing districts will have an option concerning the interest earned on tax collections. Taxing districts can either turn that interest over to the county jail fund or request the interest. If the interest is requested, the taxing district must roll back tax levies the following year by the amount of interest they earned the previous year.

**HENKHAUS CONCLUDES,** "I

will debate any candidate for township collector as to the need for a township collector. Only three of 102 counties in Illinois have township tax collectors, which shows they (the other 99) are a lot smarter than Madison County," he contended.

## Sentenced for battery after burglary charge dismissed on motion

Terry Borowski, 21, of 212 Warsaw Lane, Mitchell, has been ordered to serve 24 days in the Madison County Jail, one year of probation and pay \$35 court costs following his guilty plea Dec. 10, 1984, to battery.

A burglary charge was dismissed on the same date on a motion by the state's attorney.

Borowski was charged July 9, 1984, with burglary and aggravated battery after Madison police arrested him. He was accused of beating a homeowner who caught him in his garage.

According to police, when James Gaddo of 1706 Sixth St. returned home, he heard the door to his garage slam. Upon investigation, he encountered Borowski, who allegedly struck him in the face, causing abrasions and lacerations to his left temple and lower lip.

Gaddo told police that Borowski then pulled out a buck knife and attempted to stab Gaddo repeatedly. Gaddo was able to keep Borowski away by using a mop handle. After several minutes, Gaddo said, Borowski ran from the scene.

## DeMolays attend ritual weekend

DeMolays, advisors and mothers from James Stuart Chapter, Order of DeMolay, attended the Illinois DeMolay ritual weekend at Springfield, Saturday and Sunday, Feb. 23rd and 24th.

Ritual competition and meals were at the Masonic Temple in Springfield, and the Springfield Hilton was headquarters for the weekend.

### MAN CITED IN 'HOT' BBQ KETTLE THEFT

Lloyd E. Latchford Jr., 18, of 2150 Adams St., was charged with theft during the weekend after a barbecue kettle grill allegedly was taken from a rear porch at the home of Fred Elmore, 221 Cleveland Blvd., who said the coals were still hot in the kettle when it disappeared.

Latchford, who said the grill was brought to his apartment the previous night, was booked on the theft charge and was released after posting a \$52 cash bond, pending a hearing. The grill was returned to Elmore.

with swimming and a "Sweetheart" dance, sponsored by Stephen A. Douglas Chapter, Springfield, in the patio room of the Hilton, Saturday evening.

On Sunday morning following breakfast at the Masonic Temple, the state chaplain, Michael P. Burgess Jr. of Chicago, conducted the religious service.

Donald J. Bertier Jr. of Alton as chairman of the event presented the ritual competition awards with the assistance of Jeffrey S. Johnson of Columbia, State Deputy Master Councillor, and Beth Bodnam, Illinois State DeMolay Sweetheart. Competing from the local chapter were Ralph F. McKinney Jr., Bob Petty, Jim Wright, Jay Hahn and Chris Brewer.

Attending were, Eddie Bodnam Jr. and Jimmy K. Stuart. Also in process were, Miss Lisa Gibbons, the chapter's 1985 Sweetheart and her mother, Liz; Miss Beth Bodnam, Illinois State DeMolay Sweetheart and the chapter's 1984 Sweetheart

and her mother, Marilyn; "Dad" B. Edward Bodnam Sr.; "Dad" Dwayne Pritchett, ritual advisor; "Dad" Charles and "Mom" Jo Meyer; "Dad" Jimmy E. Stuart and "Mom" Mary D. Stuart. Mrs. Stuart is Director of Illinois DeMolay Mother's Programs. Bodnam, Meyer and Pritchett served as ritual judges, Jimmy K. Stuart was assistant to auditor and Jimmy E. Stuart was assistant director of ritual competition and judging.

Sunday afternoon the DeMolay state bowling tournament was held at Pandhandle Lanes in Raymond, Ill.

### Argument results in battery arrest

Police went to the 2900 block of Illinois Avenue during the weekend, where they found Glenn Black, 2027 Rock Road, standing in the middle of the street. The man had suffered a cut and some bruising and swelling were evident, reports said.

Black alleged that he and John L. Ishum, 27, of 2220 Missouri Ave., were playing pool at a nearby tavern and an argument began with the two men going outdoors.

He further alleged that Ishum swung a pool stick at him, but he blocked the blow with his left wrist and then fell to the ground.

Ishum was arrested in the 2900 block of Harding Boulevard and was charged with battery. He appeared in court the same day and pleaded innocent to the charge. Bond was set at \$25 and he was returned to the Granite City jail, pending payment of bond.

## In Freeburg Regional Trojans eliminate Pioneers; play again tonight

By JOE THOMPSON  
of the Press-Record

FREEBURG — Reggie Banks of the Madison High Trojans moaned. His face contorted in awful pain. His tummy hurt. "It's just gas," he said.

Suffice to say, Banks and his teammates landed a much larger hurt on the Assumption Pioneers Wednesday night in their opening round Class A Regional game at Freeburg. Banks dropped in 33 points to lead the Trojans romping past Assumption, 80-56.

The victory sends 19-7 Madison against Lebanon tonight in a contest slated to start at 8 p.m. Lebanon got past host Freeburg Wednesday night, 56-47.

IN A 6:30 p.m. contest tonight, the Regionals' top-seeded team, Venice, will meet Lovejoy. Lovejoy disposed of Dupu Tuesday night.

The winners of tonight's games will meet at 7:30 p.m. Friday for the title.

Banks' stomach ache came after the Trojans blew away 2-15 Assumption. It was plain to see the 6-foot-4

inch shooter felt no pain during the contest, especially in the first half when he tossed in 23 points, making good on 10 of 11 shots from the field. For the game, he unofficially was 15 of 18.

BANKS' hot hand helped the Trojans explode for 20 points in the second quarter, in rolling to a commanding 46-33 lead at halftime.

### Class A Basketball Freeburg Regional Schedule

FREEBURG — With Madison's 80-56 victory Wednesday night and Lovejoy's seven point 79-72 victory over Dupu Tuesday night, both teams will advance to the semi-final round of the tournament which will be played tonight beginning at 6:30 p.m.

The Wildcats will meet top-seeded Venice at 6:30 while second-seeded Madison will meet Lebanon at approximately 8 p.m., after the

While Banks supplied much of the first half punch, the Trojans' true hero was a pressing, relentless defense.

"Our defense intensify made the difference," said Trojan coach Rodney Watson.

The Trojans trailed 19-18 after the first quarter. The Pioneers posted two more points to start the second

quarter. The Trojans' defense then stepped in, swiping the ball numerous times and applying severe pressure to the Pioneers' standout junior, Jim Collins, who pressure or not, still managed 31 points for the game.

"COACH told us our defense was lackadaisical in the first quarter," said the Trojans' 6-2 James Bennett, who popped in 12 points. "Everybody wanted to win this game. Everybody started playing defense."

The Pioneers managed just 14 points in the second quarter.

While a few Roloids will likely put an end to Banks' pain, only time will help Trojan guard Deyold Williams to a full recovery.

Williams played sparingly Wednesday night, after missing the final regular season game with a twisted ankle. It is uncertain how helpful he will be the remainder of the Regional.

GUARDS Anthony Valentine and

Anthony Newsome helped pick up the slack with nine and seven assists respectively. Newsome also scored 10 points and Valentine six. Nathan Young added six and Reggie Young five.

## Saturday Night Warriors meet Alton for title

By ALAN L. GERSTENECKER  
of the Press-Record

GRANITE CITY — Southwest showdown.

Saturday's date and Memorial Gymnasium's the place.

The Warriors of Granite City High school will meet the Redbirds of Alton High in a game that will mean the difference of a one, two- or possible four-way tie for the Southwestern Conference basketball championship.

Junior varsity action begins at 6:15 p.m. The varsity contest will begin about 8 p.m.

"THIS IS IT. It just boils down to this one game," Warrior Coach Don Deterding said Wednesday.

"Everything we've worked for will come down to one game. If we win we're the champions."

Then the Warrior coach paused for a moment before speaking again.

"At least we're fortunate (to be in this situation)."

The Warriors enter the contest 6-3 in the league and 15-5 overall. Alton, who must first play East St. Louis on Friday, is also 15-5 overall, but 5-3 in the league.

At the end of the Warriors are tied with Collinsville for first place in the SWC. Should the Warriors win their game Saturday with the Redbirds, they will gain at least a tie for the conference crown.

SHOULD the Warriors lose to Alton

on Saturday and the Kahoks beat Belleville East on Friday, the Kahoks will win the conference. But if Granite City loses on Saturday, Collinsville loses on Friday and Alton also beats East St. Louis on Saturday, there will be a four-way tie for the SWC title between Granite City, Collinsville, Belleville East and Alton.

Confused?

Deterding isn't. And something else, he really doesn't care what the rest of the teams in the league are doing this weekend. All he's concerned about is winning Saturday.

"We control our own destiny," Deterding said. "It's as simple as that."

DETERDING'S right. Should the Warriors win Saturday and the Kahoks lose Friday, Granite City will win the league outright. No questions asked.

Deterding talked frankly Wednesday about the recent Warrior skid. Says Deterding, the Warriors have been declining since last Friday, they played Alton, on Jan. 25.

"In all honesty we haven't been playing that well. And some of those games we beat during that seven-game stretch were not really that good."

"There's no doubt about it. We peaked early, but some of it the first game around was helped by the surprise factor," Deterding said.

THE surprise factor?

"You know how 16 and 17-year-old kids think. 'We beat Granite City last year so we should beat them this year.' That was in our favor."

Deterding said thinking what the other SWC teams must've thought of the Warriors.

"We're in the second go around, they're (other SWC teams) taking us a little more serious."

Sure, now that the Warriors are atop the league, every other team in the SWC is looking to knock them off the heap, but it's more than that, Deterding said.

"We haven't been playing with the mental and physical toughness that we had earlier in the season. The main thing is that we haven't been hungry — not hungry enough to want to win a tough one. We haven't been playing with intensity."

ONE WAY Deterding hopes to intensify his team's performance is through a rigorous week of practice.

"We've been working on our defense again this week. Our defense was obviously very good against Edwardsville. Now against East Side, it wasn't a matter of our defense giving up the points it was the offense," Deterding said.

"We simply turned the ball over too many times. We really didn't have the time to play our offense."

As of Wednesday's practice, Granite City's starting five were healthy, Deterding said. "But you never know what may happen between now and then."

## In Dayton Nine will represent SIUE in NCAA II national meet

EDWARDSVILLE — Eight champions and a silver medalist from last week's Midwest Regional Tournament will carry Southern Illinois University at Edwardsville's hopes of retaining its NCAA-II national wrestling title March 2-3 to Dayton, Ohio.

The Cougars, who won the NCAA-II title on the strength of four champions, two runners-up, a bronze medalist and a fourth-place finisher last year, will enter the NCAA-II Tournament as the top-ranked team in the Division and will feature seven returning All-Americans.

In the Regionals, SIUE piled up 127 points to outdistance their closest threat from the University of Wisconsin-Parkside, which posted 62 1/2 points. Northwest Missouri State University totaled 48 1/2 points, while the University of Minnesota-Duluth (28 1/2), Central Missouri State University (27 1/2), the University of Missouri-Rolla (24 1/2) and Northeast Missouri State University (11 1/2) rounded out the seven-team field.

Individually, the Cougars featured

eight champions, including Tim Wright (118-pounds), Steve Stearns (126-pounds), Alan Grabmer (134-pounds), Ernie Badger (150-pounds) and Al Sears (heavyweight).

Dan McGinnis, the Cougars' 158-pounder, qualified for the national competition by finishing second.

## End Graham's First Season SIUE ends season

ROMEOVILLE — The Southern Illinois University at Edwardsville Cougars' basketball team ended its season Wednesday night with the same team it opened its home

season with last Dec. 5.

And, unfortunately for the Cougars, the result was much the same as their first meeting, losing this time around to the national ranked Flyers 69-52.

The Cougars' loss last night, however, was a marked improvement over the 70-47 loss they suffered to Lewis University nearly three months ago. SIUE ends its season with a 7-21 record. Coach Larry Graham's first season.

Starring again for the Cougars was Madison product Ken Stanley, who has a 17 point per game average, scored 14 points for the Cougars in Wednesday's losing effort.

The loss was the Cougars' 18th this season to a national ranked or Division I opponent this season.

Lewis University, which is anxiously looking toward the post season tournament, is 21-6 this season.

## SIUE Basketball Lady Cougars end with a win

EDWARDSVILLE — It is often said that momentum gained at the end of one season carries over into the next year, and the women's basketball team at Southern Illinois University at Edwardsville hopes that is the case when they begin workouts next season.

The Cougars, who recently concluded one of the best seasons in SIUE history, capped off the successful year with a thrilling, come-from-behind 60-59 victory at the University of Missouri-St. Louis. The Cougars trailed 21-4 early in the game and were down by 14 points at halftime but combined to chip away at the lead during the second half.

Sophomore Lori Blade won the game for the Cougars when she made a short jump shot with only three seconds remaining.

The Cougars, who were ranked as high as fifth in the 23-team Midwest region during the season, finished the year with a 14-11 record. The winning season was only the third in SIUE history and the first in the past seven years.

Among the many team accomplishments this season, the Cougars outscored their opponents by an average of 6.6 points per game and had a 5-2 edge in rebounds per game.

## At The Arena Skaters look to 'ice' the cake; meet DeSmet tonight

By JOE THOMPSON  
of the Press-Record

GRANITE CITY — When the Warriors of Granite City High meet the DeSmet Spartans at 8:30 p.m. tonight at the Arena for the championship of the Mid-States Hockey league, they'll be doing more than try to put the icing on their best season ever.

They'll be celebrating. Whether as victors or runner-ups to the favored Spartans, who earned that distinction with a 2-1 mark this season and four previous successful title game appearances.

"Win or lose, we're going to have some fun," said Coach Gerry Henson of the 24-4 Warriors. "A lot of fun. We're going to go out and enjoy the greatest night of our season."

"IT'S NOT just gravy, king on the cake," Henson said. "The kids want to win this game. I'm not going to be overconfident and say we'll win. But I'm not going to be discouraging and say we won't. We're going to play as hard and as long as we can. We've got 42 minutes of the season left. It behooves our kids to play as hard as they can for the 42 minutes."

If when it's over the Warriors will have surprised odds-makers, hey, the icing is in town. I'll guarantee you," said Henson.

TICKETS for the game cost \$4 and may be purchased at the Arena. The ticket is for general admission and is also good for the evening's other two games: a 5:30 contest to determine the Junior Varsity champion and a 6:45 match-up between Webster Groves and Parkway Central for third place.

Based on sales conducted in the cafeteria at Granite City, a large East Side following is expected. "We've had six or seven kids taking shifts," said Henson. "From what I understand, sales are going good."

Win or lose to the Spartans led by Mid-States leading scorer Kurt Gonc, tonight is destined to be the greatest, if not the sweetest, for the Warriors in a lot of seasons.

IT WAS three years ago when Henson, along with Jerry Roderick, a close friend and long-time coaching partner, took over the Warrior controls. Henson as head coach and Roderick as his assistant.

Thinking back on that time, Henson remembers introducing himself and Roderick to the Warrior squad.

"We had a little pre-season meeting," Henson recalled. "And like a couple of proud parents, they've watched their young skaters blossom out."

"It's been a concern ever since," said Henson.

And a lot of sweat.

"WE'VE worked hard to get here," said Henson.

We've worked hard for three years. We've overcome a lot of ups and a lot of downs."

When Henson and Roderick met the team for the first time, Chris Carden, Mark Doniff, Matt Laub, Terry Wade, Steve Siegelmeier, Dave Young and Dave Wilmouth.

Sophomores then, all now are seniors and make up the heart of this year's squad.

To say they've overcome some disappointments in their drive to the top is not overstating the matter.

The Warriors finished at 5-13-2 three years ago. They warmed up the next year with a 10-7-3 mark and an Arena appearance, finishing fourth in the finals.

BUT THEY never shined greater than last Saturday when, falling behind Parkway Central, 4-1, in their semifinal game, the Warriors battled back to a 6-5 overtime victory. DeSmet slipped by Webster Groves, 5-3, in the other semifinal.

"I was really proud of the kids," said Henson, singling out several including goaltender Tom Schneke who faced 21 shots on goal the first

two periods alone.

"We could have quit after it got to 4-1. Go to the Arena and play for third place. But we didn't quit."

THE WARRIORS also didn't quit in a 7-3 loss to DeSmet in the two team's only previous meeting of the season. The Warriors fell behind 4-1 during the second period, but fought back to within 4-3. They assumed the main advantage when the Spartans were ticked with a penalty. However, less than a minute into the penalty, a Warrior player was also penalized.

This brought the two sides back even. The re-energized Spartans scored quickly, and rode the goal to two more tallies, including one with two seconds left.

In that defeat which saw the Warriors out-shoot DeSmet, 25-19, the Spartans scored three goals while short-handed.

"IF WE do that (work hard), it will be close," Henson said. If the Warriors work hard and don't win, "If we lose but play hard for 42 minutes, if every player gives 100 percent every shift, I can't feel bad about losing," said Henson.

Should they fall to win, Henson said the Warriors will take their silver medals and second-place trophy and skate around the ice with heads high.

But the medallions will be gold, the trophy-shinier and the celebration greater if the Warriors win.

And the icing sweeter.

"The ultimate," said Henson.

## Win 7-6

## Metro-East All-Stars whip Missouri matmen

By ALAN L. GERSTENECKER  
Sports Editor

ST. ANN — Tom Sparks Sr., coach of the Metro-East All-Star Wrestling team, was a tired man Tuesday night after his team battered their Missouri counterparts 7-6 here at the ABC Boys' Club.

You see, Sparks is more than just the Metro-East All-Star coach. He's also their 14th wrestler. Not in the literal sense of the word, but in every other sense.

Sparks, clad in a white shirt with the sleeves rolled up and a loosened necktie, twisted, turned, gyrated and just plain moved with each of his 13 wrestlers' matches against their Missouri opponents. When it came time to execute a cradle, Sparks was doing it mat-side. When it came time to shoot for a leg pick, Sparks was doing that too.

By the time it was over, Sparks was wet with sweat and breathing hard.

"Oh, do I love this stuff. And did we have a good team? This was so much fun that I can hardly wait for next year."

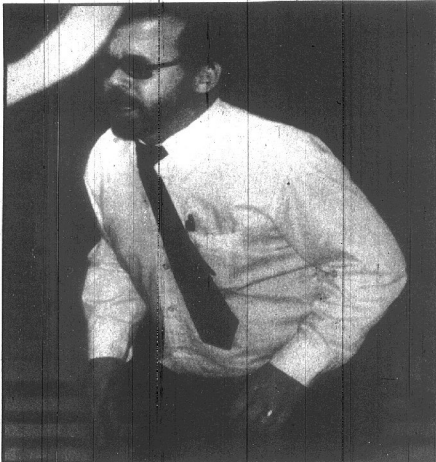

Sparks, a former wrestler himself, moved with each of his wrestlers' moves. Sort of like a proud father watching and waving his arms as his infant son takes his first steps.

The MAJOR difference, though, is the Metro-East team hardly looked like a bunch of infants.

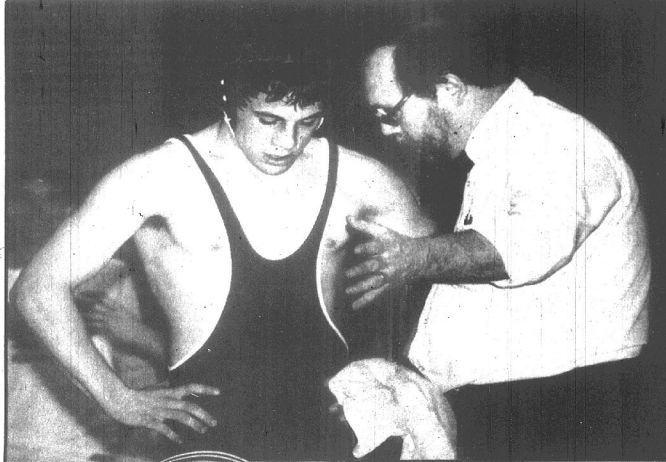

In what may have been the strongest assembled Illinois team ever, Sparks' squad threatened to run away with the meet. Had it not been for a series of consecutive wins from 155 through 185 pounds, the Missouri squad would have suffered a severe setback.

With the score six each, it came down to the heavyweights. Illinois' Dave Schumer of Springfield Lanphier took the matter of winning into his own hands as he pinned Corey Dillaha of Fort Zumwalt in 36 seconds.

Not only was Schumer brilliant, but so were many of the other Illinois wrestlers.

**SEEING SPARKS.** Above left, Metro-East All-Star wrestling coach anxiously assists one of his wrestlers with his mat-side manner during Tuesday night's All-Star matchup in St. Ann, Mo. Sparks, who obviously takes his coaching

very seriously, led the Illinois All-Stars to a 7-6 victory over their Missouri counterparts. Above right, Sparks gives some between period advice to his 126 pounder, Ted Critchfield of Jerseyville.

(Press-Record Photos by Alan L. Gerstenecker)

For starters, Jeff Cotter, the 98-pounder of Granite City and a sixth place finisher in last weekend's state tournament, took less than two minutes to dispose of St. Clair's Lee Henson, leading Henson 4-1 at that point. Cotter pinned his opponent in 1:56.

Carbondale's Eric Walker, at 105 pounds, dropped his match to River-view Garden's Dave Burke 14-5 to even the score, but then came the Cahokia wrestlers.

In the two most lopsided matches of the evening, Cahokia's Bryan Patterson (112 pounds) and Kevin Byrd (119 pounds) battered their Missouri opponents by a collective score of 43-5.

Patterson rolled and thundered his way to a 15-1 decision over Seth Lieberman and Byrd, obviously looking to avenge his first-round state tournament loss, bettered Steve Hunter 28-4. In all, 17 of Byrd's tallies came from back points.

"Those Cahokia kids are really tough," Sparks said. "They were just so much better than the Missouri kids. Coach (Cahokia High School Coach Russ) Baum has really done a fine job with those kids. He has every reason to be proud."

Patterson and Byrd got the Illinois grapplers on a winning ride that lasted until 155 pounds — only briefly interrupted by Excelsior Springs' Ed Bonuchi's victory over Jerseyville's Ted Critchfield.

Through Kip Kristoff's 2-2 decision at 145 pounds, the Illinois squad held a 6-2 advantage.

Then, in the next four matches, the Missouri squad came to life as Quincy's Rich Felton, Granite City's Steve Knogel, Cahokia's Charlie

Williams and Springfield Southeast's Copache Tyler each lost to their Missouri counterparts.

"It was a good match, but somehow 7-6 doesn't seem to tell the story of our domination. I would have preferred that they count team points," Sparks said. "If that had been the case, we'd have won 33-20. And I believe that that's more indicative of how the matchup really went," Sparks said.

The Illinois victory avenges the 1983 loss to Missouri at Granite City High School's Memorial Gymnasium. Due to a scheduling problem, there was not an All-Star matchup last year.

# IDOC gets \$2.3 million in apportionment for wildlife

SPRINGFIELD—Illinois received \$2,337,785, its final 1985 final years apportionment for Federal aid in hunter safety and wildlife and fish restoration, according to the Interior Department's U. S. Fish and Wildlife Service.

The final apportionment included \$723,117 for fish restoration; \$1,188,968 for wildlife restoration and \$425,700 for hunter safety programs. The Illinois apportionment was part of more than \$114 million in Federal aid funds for sport fish and wildlife restoration and hunter safety made available nationwide.

Excise tax monies on sporting equipment are distributed by the Federal Government to the

dividual state fish and game agencies under long-standing Federal aid programs, known as the Dingell-Johnson and Pittman-Robertson programs.

Dingell-Johnson funds come from a 10 percent excise tax on fishing rods, reels, creels and artificial baits, lures, and flies. Fund distribution is based on land and water area of each state, including coastal and Great Lake waters, and the number of fishing license holders.

Pittman-Robertson monies for wildlife restoration and hunter safety programs come from an 11 percent excise tax on sporting arms and ammunition, a 10 percent tax on pistols and revolvers, and an 11 per-

cent tax on certain archery equipment. The distribution of wildlife restoration funds is based on land area and hunting license holders, while hunter safety funds are based on the relative populations of the states.

A preliminary apportionment for 1985 was made in October 1984 of monies generated by these sources. That initial payment totaled \$92.1 million nationwide. The total for Fiscal Year 1985 is \$114,160,000. Apportionments are usually made in two installments each year, as tax receipts are tallied and released by the U. S. Department of the Treasury.

The U. S. Fish and Wildlife Service allocates receipts of Federal funds based on financial formulas that reflect the land and water acreage and respective numbers of licensed anglers and hunters within the state. The Federal funds fuel a wide variety of projects, from wildlife study to building boat ramps, and from searching for the cause of fish kills to habitat enhancement projects.

The final apportionment for Fiscal Year 1985 was divided among the 50 states, five territories and the District of Columbia.

## SportsBriefs

### Pro wrestling card in Venice

Due to an odd outcome of their recent scheduled matchup in Venice, which eventually led to Bob Sweetan's disqualification, another pro wrestling card between Sweetan and Spike Huber has been slated on Saturday, March 2, at Venice High School.

The event, which benefits Red Devil sports programs, will begin at 8 p.m.

Once again sponsored by the Venice Lions' Club, the event is expected to attract numerous wrestling fans for this Illinois championship bout.

The newly scheduled bout will be a no "disqualification match."

In addition to the main attraction of Sweetan and Huber, scheduled to appear will be the man who made the coco butt famous, Bo Bo Brazil, an appearance by The Black Panther, The Assassins, the popular midget wrestlers and a tag-team match.

In all six matches are slated. Tickets are \$7 ringside and

general admission are \$5 for adults and \$3 for children and are available at the Venice High School, Blake's Lounge, Design Unlimited and State Street Pawn Shop or by calling the Lions' Club at 451-9914 or 398-0019.

### Park softball deadline nears

The Granite City Park District reminds all softball teams in the men's, women's and church leagues of the nearing deadline for entry fees.

Teams that were in the park district leagues last year will have until Friday, March 1, at 5 p.m. to pay their entry fee for the 1985 season.

Any team not paying their entry fee before the deadline will automatically be placed on the bottom of the new team waiting list.

League play is set to begin April 24. If any teams have any questions about the upcoming season, they are urged to contact John Lakin at the Wilson Park Office, 877-3059.

### Sport banquets March 18 & 20

The Granite City High School Boosters Club has scheduled two nights, March 18 and 20, as the dates for its winter sports banquets.

Beginning at 6 p.m. on both nights, the Warriors' girls' basketball and wrestling teams will be honored on Monday, March 18; On Wednesday, March 20, the Warriors will honor their basketball team.

Both affairs will be held in the high school cafeteria.

## Geggus-Layton

Mr. and Mrs. George Geggus, 2560 State St., are announcing the engagement of their daughter, Miss Ruth Geggus to Keith Layton, son of Mr. and Mrs. George Layton, 1871 Edwardsville Road.

Miss Geggus graduated from Granite City High School South and Eastern Illinois University. She has been teaching for the past two years in the Newman (Ill.) School District and is now employed at St. Elizabeth Medical Center in the Adolescent Child Care Center.

Her fiancé is a Madison High School graduate, attended Monmouth College and is now enrolled at Belleville Area College. He also works as a laboratory technician at Columbus Dental in St. Louis. The engaged couple plan to be married on Aug. 10.

## Coterie hears Ted Eilerman

Mrs. E. F. Reiske introduced Ted Eilerman as guest speaker for the February meeting of the Ladies Coterie conducted at the First Presbyterian Church, last week.

He gave an informative talk about the history and growth of St. Elizabeth Medical Center as the program for the day.

A 1 o'clock dessert luncheon was served by Mrs. Louis Meek to 14 members and a guest, Mrs. George Wilkins Sr., preceding the business segment.

Mrs. Marvin Eddington, president, called the meeting to order with Mrs. W. C. Cooley leading the pledge of allegiance and Mrs. A. C. Stover giving the Club Collect.

Plans for a 90th anniversary celebration of the club was discussed and it was agreed the club officers will host the observance at the March 21 meeting. Mrs. Raymond Horn, club secretary, is accepting reservations for the affair, the president added.

## Mrs. Alice Cruse is club hostess

Members of the U-No Club met for dinner at Ravanelli's Restaurant, last week, and later were entertained in the home of Mrs. Alice Cruse.

Card games were played and prizes awarded to Charlotte Smith and Rose Mary Breyer, followed by the hostess serving a dessert course. Also present were Marie Stanek and Elizabeth McCoy.

## Madison seniors celebrate birthdays

The West Madison Senior Citizens' Club held a birthday dinner for four of its members recently at the Madison Recreation Center, 900 Washington St., Madison. Approximately 30 members and three guests were present at the celebration.

Members honored were Beulah Williams, Roosevelt Hale, Jewell Young and Mary Daniels. These persons either celebrated their birthdays in January or February.

After the dinner, club members sang "Happy Birthday" to those being honored. A love token was presented to charter member Lucille Wilson, who has been ill.

During the business meeting, group members were told how to fill out their tax forms and circuit breaker forms.

A reminder was issued about blood pressure testing which are available to the general public at the recreation center on Tuesday mornings. These tests begin at 10 a.m.

Members who were reported as being unable to attend because of illness include Jessie Johnson, Loleta Jenkins and Janie Lowe.

After the luncheon, games were played and prizes were awarded.

## Third birthday of Lauren M. Miller

Mr. and Mrs. John (Cindy) Miller, 2712 Michigan Ave., entertained guests in honor of the third birthday of their daughter, Lauren Michelle Miller.

A Care Bear theme was used in the table appointments with streamers and balloons decorating the room.

Guests included Mark and Jennifer Miller, Kenny Ligibel, Ashley Bywater, Craig Harris, Jill and Mike Helrich, Megan Coghlan, Jenny and Janie Shenees and has a 2-year-old sister, Amber Marie.

Maternal grandparents are Salvatore and Rose Marie Saputo and paternal grandparents are Burel and Helen Schmisser, all of Granite City. Maternal great-grandmother is Viola Taft of St. Louis.

## Schmisser announce birth of second child

Mark C. and Rose (Saputo) Schmisser of 50 Eduardo Drive have announced the birth of their second daughter, Lauren Elizabeth, on Feb. 21 at Barnes Hospital in St. Louis. The new arrival weighed 7 pounds, 14½ ounces and has a 2-year-old sister, Amber Marie.

Maternal grandparents are Salvatore and Rose Marie Saputo and paternal grandparents are Burel and Helen Schmisser, all of Granite City. Maternal great-grandmother is Viola Taft of St. Louis.

**MIKE AND MAGGIE TAPP** of Hermann, Mo., formerly of Granite City displaying Outstanding Service Awards they received from the Jaycees of Hermann at the annual awards banquet hosted in the United Methodist Church of Hermann.

## Former Granite Cityans honored in Hermann, Mo.

Mike and Maggie Tapp of Hermann, Mo., formerly of Granite City, were both accorded honors by the Jaycee organization at its award banquet held at the United Methodist Church in Hermann.

He was presented with the Outstanding Service Award plaque and his wife received the Outstanding Young Woman Award. She also was selected to compete in the Outstanding Young Woman competition on the state level.

Tapp was considered for the presentation for his primary commitment to the Jaycees where he served as president, vice president, board member and Region 9 area director for the state chapter. He also was active in the Girl Scouts, the Hermann Area Ambulance District and St. George Home and School.

The former resident was nominated by the Hermann Jaycee Women and the St. George Home and School Association.

Mrs. Tapp received the recognition for her involvement to the youth of the community which was exemplified by the time devoted to the Girl Scout movement. She serves as co-leader of Junior Troop 126 and

assisted with organizing meetings, campouts, community service projects and special events for the girls.

She also has been active in the Jaycee Women and St. George Home and School Association. Mrs. Tapp was one of seven statewide recipients of the statewide Outstanding Young Women competition. According to a spokesman for the organization Mrs. Tapp is only the second outstanding young woman award winner from Hermann to be named a state winner.

The honorees moved to Missouri in December 1978 and are the parents of two daughters, ages 11 and eight.

Mrs. Tapp is the daughter of Mrs. Joe Ward of Granite City, and the late Joseph Ward, and her husband is the son of Mrs. Pat Tapp of Granite City and the late Edwin Tapp.

## Margaret Barr marks birthday

Mrs. Margaret Barr celebrated her 80th birthday Sunday afternoon at a buffet dinner party given at Bill Burn's Cafeteria.

Bouquets of multi-colored balloons decorated the room and served as table centerpieces for the social event. A large decorated cake frosted with "Happy 80th Birthday" centered the main table.

Entertainment during the afternoon was provided by several friends and relatives playing musical instruments.

Hosting the affair were Mrs. Barr's sons-in-law and daughters, Mr. and Mrs. Joe Stephanoff and Mr. and Mrs. Gene Ross and friends, Mr. and Mrs. Tom Morris.

## Eagles Auxiliary state president visits here

Rosa Hamblen, Illinois Eagles Auxiliary state president, of Herrin Auxiliary 1549, visited the local Eagles Home, 2558 Madison Ave., during the weekend, accompanied by state officers.

Saturday evening a dinner in honor of the visiting guests was served at tables decorated with vases of pink roses. Mrs. Hamblen and guests were welcomed at the Eagles Home with a large banner of welcome displayed in the hall. Beverly Warfield, state auxiliary chaplain, gave the blessing prior to the dinner.

Following the meal Carol Hill, president of Granite City Eagles Auxiliary 1126, introduced Rosa Hamblen, state officers, guests and local auxiliary officers, who were seated at a table decorated with a miniature train, cars and caboose. Mrs. Hamblen's theme for the year 1984-85 is "Rambling Rose Country." A rose corsage and a miniature train filled with roses was presented to her.

Out-of-town guests were Glenna Garwood, state conductor, Mount Carmel 3066; Marge Willoughby, past state president and state membership chairman, Carbondale 2569; Eleanor Everingham, state historian and 1983 Illinois Auxiliary state convention chairman, Herrin 1549; Betty Myles, central membership co-chairman, Galesburg 518; Betty Rohn, junior past state president, regional diabetes chairman and regional membership chairman, Quincy 535; Beverly Warfield, state chaplain, Galesburg 518; Hazel McCormick, state Heart Fund chairman, Alton 254; Evelyn Swinney, state treasurer, Wood River 2773; Lucille Smith and Doris Yost, Alton 254, Eagles Educational Fund trustees; and Angie Buehler, state trustee, Granite City 1126.

Local auxiliary officers seated at the main table and introduced were: Carol Hill, president; Gladys Freeman, junior past president; Vincene Zerlan, vice president; Helen Grazer, secretary; Yvonne Gray, conductor and auxiliary mother; Kathy Barnhart, inside guard; and Angie Buehler, Florence Hagnauer and Leona Delafaye, trustees.

Harold Love, Aerie president, was also introduced.

Mrs. Hamblen spoke on different phases of her travels, and described the Eagle symbol as the "mighty eagle soaring through the sky."

ROSE HAMBLEN

Mrs. Hill thanked Yvonne Gray, Florence Hagnauer, Angie Buehler, JoAnn Aubuchon, Florence Stokes, Nancy Barnhart and Kathy Barnhart, who decorated the social room, and Love and Aerie members for their great help throughout the weekend.

Mrs. Hill was presented with a bouquet of pink silk roses by Yvonne Gray and Kathy Barnhart. The Eagles Auxiliary Band furnished entertainment with songs and skits after the dinner. Specialty acts were performed by Mary Mullen, Mary Havron, Florence Hagnauer and Vincene Zerlan. Marge Kindell was the pianist and Emma Portell was the featured vocalist. Members of the band included Marge Kindell, Emma Portell, Angie Buehler, Kathryn Clark, Florence Hagnauer, Ellen Rickert, Juanita Brown, Lola Barylski, Vincene Zerlan, Nancy Mullen, Phyllis Sekis, JoAnn Aubuchon, Mickey Patton and Mary Havron, all members of the local auxiliary.

Sunday morning an officers' breakfast, prepared and served by the Aerie members, was served at the Eagles Home, with approximately 100 members in attendance. The blessing prior to the breakfast was given by Bud Shaffer, local Aerie Chaplain.

Love thanked his kitchen crew of Bud Shaffer, Gary Rainwater, Randy Odum, Larry Barnhart and Don Gray for the breakfast.

The quarterly Eagles Auxiliary District 7 meeting was hosted by Granite City on Sunday afternoon, with 89 members and guests present. The local escort team, consisting of Florence Hagnauer, JoAnn Aubuchon, Helen Lipchik, Ann Konopka, Vincene Zerlan, Yvonne Gray, Kathy Barnhart, and Mickey Patton, all identically dressed in outfits with the state president's color of rose, led by Angie Buehler, Illinois Auxiliary State District 7 Champion ritual team conductor, escorted the Eagles auxiliary into the meeting hall. The ritual team consisted of Lucille Smith, Alton 254, president; Ada Russell, Alton junior past president; Mary Mueller, Collinsville 1051, vice president; Judy Joffarth, Shiloh 545, chaplain; and Grace Gasper, Collinsville, pianist.

The escorts then conducted Mrs. Hamblen and the honored guests into the meeting hall, and an arch of long stemmed roses was formed by the escorts for the state president, and then the roses were presented to Mrs. Hamblen.

State officers present were, Glenna Garwood, state conductor, Mount Carmel; Marge Willoughby, past state president and state membership chairman, Carbondale; Eleanor Everingham, state historian and 1983 Illinois Auxiliary state convention chairman, Herrin; Betty Myles, central membership co-chairman, Galesburg; Betty Rohn, junior past state president, regional diabetes chairman and regional membership chairman, Quincy; Beverly Warfield, state chaplain, Galesburg; Hazel McCormick, state Heart Fund chairman, Alton; Evelyn Swinney, state treasurer, Wood River; Mary Stogner, past state president and regional president for Illinois and Indiana, Shiloh 545; Kathy Dullea, state project chairman and eye research chairman, Shiloh; Lucille Smith, Eagles' educational fund trustee, Alton; and Angie Buehler, state trustee, Granite City.

Each state officer was presented with a gift from the Granite City Auxiliary. Lucille Smith, ritual team president, opened the meeting, and Conductor Buehler, recited the Pledge of Allegiance to the Flag in union with the members, and placed the Bible and Emblem of the home on the altar. While the conductor was performing her duties the escorts

formed the flag, the cross and the emblem of the home on the meeting floor.

An initiation ceremony was conducted for 16 candidates, all from Granite City. New members were: Veda Rebello, Billie Gates, Cheryl Reed, Deborah Zeleke, Linda Crawford, Edith Mills, Sandy Shockley, Robin Shelton, Sue Oliver, Wanda Bailey, Beverly Love, Rhonda Harris, Joyce Hahn, Gertrude Burkley, Mary Murgie and Dixie Knott.

Marge Willoughby, state membership chairman, presented the new candidates with their membership cards.

The meeting was then turned over to the district chairman, Shirley Nescol, Wood River, and Rose Gibson, district secretary, Shiloh. After the regular business was concluded Mrs. Hamblen was introduced as the guest speaker. She said that the Illinois quota for new members for the 84-85 year was 2,255. She also reported that Marcela James, Grand Eagles auxiliary president, Leavenworth, Kansas, will visit Alton Auxiliary on Monday, March 4th.

Each state officer spoke on matters of interest pertaining to her chairmanship. The State Auxiliary Pom Pom girls entertained with their routine and songs.

Mrs. Hill was escorted to the altar where the state president presented her with a gold rose with diamond pin for signing 17 new members into the auxiliary this year.

The traveling trophy was presented to Collinsville for the best attendance percentage at district meetings for the year, and Alton received the prize for the most in attendance at this meeting.

Attendance prizes were awarded to Helen Lipchik, Florence Hagnauer and Billie Gates, Granite City, and Lucille Smith, Alton. After the meeting a buffet luncheon was served to guests and members in the social room.

## Revival begins Sunday at City Temple Church

The Coleman Family from Gulf Breeze, Fla., will lead revival services at City Temple, Assembly of God Church, 4751 Maryville Road, beginning Sunday, March 3 and continue through March 6.

The visiting family has been in the ministry for 25 years and for the past 12 years they have served as full time evangelists.

They will conduct services Sunday at 10:45 a.m. and in the evening at 7 o'clock. For the remainder of the time, Monday, Tuesday, and Thursday services will begin at 7 p.m.

Pastor James Burnette, host minister, extends a welcome to the Quad-City residents to attend the services and meet with the Coleman family.

## Community Lenten Services begins

The Rev. Linda Frew-Shugert will be preaching at the opening community Lenten Services, sponsored by the Quad-City cluster of Presbyterian Churches.

The service will be at the First Presbyterian Church, 22nd Street and Delmar Avenue, at 7 p.m., Sunday, March 3.

Special music will be provided by the Madison Presbyterian Church and the Rev. Don F. Pierson of Nameoki Presbyterian Church will lead the service. Rev. Shugert's message is entitled, "I Am The Bread of Life."

"I Am The Light of the World" will be the theme of the Rev. Richard P. Pierson, March 10, at Mitchell Presbyterian Church, East Chain of Rocks Road and Greenway Drive in Mitchell. The Nameoki Presbyterian Church Sanctuary Choir will provide the music and the Rev. Charlotte Zachary of Madison Presbyterian will conduct the service.

Refreshments will be served by the host church following the religious services. Rev. Pierson noted.

Rev. Pierson as pastor of Nameoki Presbyterian Church also announces plans and services at his church for the forthcoming week. The annual "Love Loaf" program sponsored by World Vision will be an appropriate Lenten exercise again this Lenten season with his con-

gregation, he noted.

This program was developed by World Vision to enable congregations to become partners in hope to the suffering people of developing countries throughout the world. In addition to the tremendous relief efforts of World Vision, portions of the money will go to the emergency funding of the One Great Hour of Sharing, Project Help and the Crisis Center of the local church.

Each family of Nameoki Presbyterian will be given a Love Loaf to place on their table throughout Lent. Mary Dame, chairman of the project, explained.

The church members are enjoying a Lenten series of suppers on Wednesdays at 6:16 p.m. which is an all church family event, she added.

"Faces Surrounding Calvary" is the theme of the Lenten messages being preached by Rev. Pierson at the 10:15 a.m. worship service. Bible study classes are offered at 9 a.m. each Sunday.

## Delores Vogeler gives book review

The Nameoki Women's Club held their meeting last week at the Harold Brown Center. A dessert course was served and the tables were decorated in keeping with George Washington's birthday by hostesses Dorothy McCausland, chairman, Mildred Branding and Edith Chappie.

The invocation was given by Ethel Beeler and the 200 Jungles led the Pledge of Allegiance.

President Elsie Rodell called the business meeting to order, and in-

stalled Delores Allen as a new member.

A letter was read from the Arthritis Foundation inviting us to put our club on television and become involved in the Arthritis Foundation Telethon, a letter was read from the 22nd District GFWC Illinois Federation of Women's Clubs regarding a special Board of Directors meeting on Thursday, March 7, at 9:30 a.m. at Our Lady of the Snows Shrine Restaurant and a letter was read from the 22nd District GFWC Illinois Federation of Women's Clubs regarding the 77th Annual Spring Convention on March 25, at the Belleville Elks Club.

Marion Shelton, program chairman, introduced Delores Vogeler who gave a book review on "Congratulations, You Are Going to be a Grandmother" written by Laney Carter.

The Club Collect was recited in union led by Olga McMurtry, and roll call answered by 20 members. The next meeting will be March 20, at the Harold Brown Center. The program will be a humorous lecture "In Defense of the American Privy" by Mrs. Tommye Walter.

## Students to visit botanical gardens

Gardenaire members agreed to donate funds to a local teacher for a student tour of the Missouri Botanical Gardens in conjunction with a conservation study.

This project is an on-going one which has benefited many pupils throughout the past years in obtaining knowledge on how conservation and environment affects people locally and universally. It was noted.

Members met in the home of Mrs. Wilma Arbetter and after a dessert luncheon the business meeting was conducted by President Dorothy Kerch.

Roll call was answered with information about the American violet. Reports were given by Marie Eads, secretary and Mary Kristin, treasurer.

Correspondence was received from Lincoln Memorial Gardens for the annual membership and a note of appreciation was received from the Granite City Public Library for the decorating project at the library during the holiday season, from the Old Six Mile Historical Society, and Friends of the Library.

Tennie Hormann, garden center chairman for the library exhibit, reported the display at the library this month features collections and collectibles.

Jan Kohl, program chairman, introduced Pauline Schank who presented a forum on "Garden Tricks for Future Treats" with the members participating.

The March meeting will be in the home of Mrs. Schank, the president announced.

## New Testament scholar to visit Eastern Orthodox Churches

PROF. VESELIN KESSICH

Father Thomas Succarotte, president of the Council of Orthodox Churches of Greater St. Louis, announces that Veselin Kessich, professor of New Testament Studies at St. Vladimir's Seminary, Crestwood, N.Y., will be visiting area Orthodox communities on the first weekend of the Great Lenten Fast.

Professor Kessich, born in Yugoslavia, received his baccalaureate there followed by studies at Belgrade University and Dorchester College, England. In 1949, he enrolled simultaneously at Columbia University and St. Vladimir's Seminary. He joined St. Vladimir's Seminary faculty in 1956. In addition, he has taught at Hofstra College, University of California, and presently at Sarah Lawrence College. He has contributed articles to *Encyclopaedia Britannica*, to *Encyclopaedia*, to *major theological journals in the U.S.A.*

Currently the president of the Orthodox (Christian) Theological Society in America, he is the author of *The Gospel Image of Christ*, *The First Day of the New Creation*, and the newly-to-be-released *Treasures of The Holy Land*, all published by St. Vladimir's Seminary Press (SVSP).

Father Succarotte noted Professor Kessich's trip is being sponsored by St. Vladimir's Seminary Foundation and his stay in our metropolitan area will be hosted by various parishes and the Council of Orthodox Churches of Greater St. Louis. Professor Kessich's speaking engagements begin with Father Succarotte's parish, Nativity of the Virgin Mary Church, Fifth Street and Ewing Avenue, Madison, IL, on Saturday, March 2, following the 9

a.m. Divine Liturgy. The "spiritual retreat" will last from 10:45 a.m. through 4 p.m., ending with Great Vespers at 4:30 p.m. There will be a free-will offering for lunch.

Prof. Kessich's topics will be (morning session) "The Gifts of the Holy Spirit in the Early Church" and (afternoon session) "The Meaning of the Visions in the Book of Revelation," both of which cause much discussion among present Christian communities.

On Saturday evening, following the Great Vespers, which begins at 6:30 p.m., at St. Cyril and Method Eastern Orthodox Church, 4770 Maryville Road, Granite City, Prof. Kessich will be the guest of Father Steven Kostoff and his community. There, at 7:30 p.m., Prof. Kessich will speak on "The Passion and Resurrection of Christ," followed by an open discussion. Fellowship

and refreshments will be offered at 8:45 p.m.

Sunday, March 3, at 9:30 a.m. Professor Kessich will be at the Orthodox (Matis) and Divine Liturgy, which follows at St. Constantine and Helen Greek Orthodox Church, 465 Huntwood Rd., Belleville, as the guest of Father George Zervos. There he will give the homily on this First Sunday of Lent on the Gospel lesson (John 1:43-51).

Later on Sunday, the professor will be the guest speaker at the Sunday of Orthodoxy services at St. Thomas the Apostle Church, 6500 Nottingham, St. Louis, which begins at 4 p.m. His topic will be "The Sunday of Orthodoxy and How It Relates To Us Today." This speaking engagement is being hosted by the Council of Orthodox Churches of Greater St. Louis, and host pastor, Father Dimitri Vincen.

on Sunday night, there will be a "get-together" for all youth after the service in the Fellowship Hall, featuring games and refreshments.

Sunday morning at 10:30, the speaker will be Doug Ferguson, and the music director for all services will be Dynette Shrader. Doug and Dynette are members of the Baptist Student Union at SIU-E.

Ann Corbitt, Bethesda's Music and Youth Director, is president of the Baptist Student Union at SIU-E. Rev. Luther Abbott, pastor of Bethesda, invites the public to attend.

## CWF Retreat June 28-30

Plans for a retreat at Drury College in Springfield, Mo., on June 28, 29, and 30th, was announced at the monthly meeting of Sarah Circle of Christian Women's Fellowship of Central Christian Church.

Mrs. Marie Gordon was hostess to the group and served a brunch prior to the business session that was conducted by Chairman Ruth Lelik. She opened the meeting with the CWF prayer.

A communication was read from Mrs. Betty Rush, a member who is enroute to New Mexico with clothes collected from the congregation for the people living on an Indian reservation.

A report was given on the calls and visits to shut-ins made during the past month. Lenten services will be held in conjunction with St. John United Church of Christ and St. Peter Evangelical United Church of Christ. It was noted, Central Christian Church will host both the March

6 and 13th services and will serve refreshments after the event.

The chairman also noted the CWF will serve dinner to the area ministers and their wives on March 18 at the church. The annual World Day of Prayer, sponsored by the Quad-City Church Women United is scheduled for March 1 at 7 p.m. at Madison United Methodist Church, Fifth and Ewing streets, Mrs. Lelik added.

Contributions for the Least Coin was collected and will be given at the May Fellowship scheduled for May 3 at the Salvation Army this year.

Marge Scott gave the lesson entitled, "Stories of Life" and closed with meditations.

Attending were Ruby Hart, Lynda Leggett, Marge Kacera, Lena Seltzer, Tota Mae Lensing, Barbara Rogus, Betty Townsley and those named.

Harold Myers evangelistic team

## Church of the Nazarene to host revival services

The First Church of the Nazarene, 4701 Highway 111, will host revival services from March 5 through 10, featuring the Harold Myers evangelistic team.

Guest speakers have been in full time evangelism in the Church of the Nazarene since 1968. They live and travel in their own trailer and hold revivals, crusades and camps in a number of states carrying the full preaching and singing program.

Rev. Myers messages are gospel centered and Mrs. Myers plays the Cordovox, a unique instrument that offers a new dimension of special

music to the services. Their music is in demand for the spirit they manifest and the lasting ministry given to their churches.

They have three sons, Todd, Tony and Travis who travel with their parents and are an effective part of the singing ministry.

The week night services, Tuesday through Friday, will begin at 7:30 p.m. and Saturday evening services will start at 7 o'clock. Sunday services are scheduled for 10:30 a.m. and 6 p.m. according to the host minister, the Rev. William Roddy.

Cornerstones 33 AD

## Concert at Grace Baptist

Don Carmack and Darrell Pare, deacons of Grace Baptist Church, announced this week that Cornerstones 33 A.D. one of the gospel singing groups in Mid-America, will be in concert at the Grace Baptist Church, 2600 Edwards St., on Sunday, March 3rd, at 9:30 a.m. This group has appeared in churches, special concerts, and on TV throughout the area.

Cornerstone, 33 A.D. will be at the church to help kick off the "Five Fabulous Sunday's" Sunday School Campaign which the churches' deacons will be hosting during the month of March. Every week Grace Baptist will have a special speaker

or group featured in the Sunday morning services.

"We will have a special gift for all the children that attend on the 3rd of March," stated Darrell Pare, one of the 14 deacons at the church. "We will also have a special program just for the children during Children's Worship Service," he added.

If transportation is needed call 877-6672 to arrange to be picked up by one of the six buses that the church runs every Sunday, according to the Rev. Bob Jones, host minister.

A nursery will be provided, he said.

## Eastern Orthodox Churches begin Lent

Three Orthodox Churches in the Quad-City area, St. Cyril and Method Eastern Orthodox Church, Granite City, and Holy Trinity Bulgarian Orthodox Church and Nativity of the Virgin Mary Orthodox Church, both in Madison, joined with worldwide Eastern Orthodox Christians to begin the Great

Lenten Fast Sunday, Feb. 24.

The liturgical day began at sundown, traditionally for Orthodox Christians, with the service of Vespers.

This service is designated to begin the Lenten spiritual journey and is called the Vespers of Forgiveness. Although it bears the marks of a somewhat Syrian monk, and the rite of the Lenten spiritual journey it contains the addition of hymns of the impending "fast," a special prayer attributed to Ephrem, a third Century Syrian monk, and the rite of each of the faithful asking one another for forgiveness, according to the Rev. Thomas Succarotte.

Rev. Succarotte continued and noted this year the orthodox celebration of Pascha (Easter) on April 14 will fall one week following the Western Christian celebration on April 7, due to the traditional calculation of the church being maintained over the centuries.

Only once every three years do the dates coincide. Therefore in 1987, 1990 and 1993 this coincidence occur that all Christians celebrate jointly. Rev. Succarotte added.

## Lenten service at Trinity Methodist

The United Methodist Churches will hold its second Sunday night Lenten Service at Trinity United Methodist Church, March 3, at 7 o'clock. The topic for the evening is "Fasting," and the speaker will be the Rev. Bud Brainerd, assistant pastor of the Niederrhein United Methodist Church.

The Sunday evening service is part of a series being held in United Methodist Churches which focuses on the "Lenten Disciplines."

Trinity United Methodist Church is located at the corner of 25th and Henry streets. All United Methodists as well as other visitors are invited, the pastor Rev. J. Michael Smith added.

## Lydia Circle to aid mission

Members of Lydia Circle of Nameoki United Methodist Church will collect garden seeds through March 10 and then forward the packets to a mission in Appalachia for the people of that area. It was announced at the February meeting of the circle.

The group met in the home of Mrs. Dorothy Sinner and after a dessert luncheon Gladys Russell, vice president, opened the session.

Mrs. Russell informed the group they are to take the seed packets to the church where they will be packaged for shipment. She added the Lenten round robin service will be at Nameoki United on March 10, and requested volunteers provide cookies to be served after the service.

The circle will be in charge of the March 11 meeting of the United

Methodist Women and Mrs. Russell asked for four volunteers to take part in the program entitled, "Family Under Pressure."

Plans were discussed to visit the Neighborhood House in East St. Louis, and to attend the World Day of Prayer on March 1 at Madison United Methodist Church, sponsored by the Quad-City Church Women United.

The next meeting is scheduled for March 21 at the home of Mrs. Tharah Erney. Dorothy Wallace gave the closing prayer.

Others present were Bess Rucker, Effie Vrenick, Lucille Webb, Marie Isenberg, and Mildred Hess.

## Evangelist to speak at Central Baptist Church

The Rev. Frank A. Eberhardt, a former Roman Catholic seminarian, will be the evangelist Sunday through Wednesday at Central Baptist Church, 3940 Highway 111. The speaker is the founder/director of Gospel Outreach in Philadelphia, Penn.

Reared in the Roman Catholic religion, Rev. Eberhardt entered the Vincentian Order of Priests in 1968. In 1972 he enrolled in Bob Jones University, and completing his work there was ordained an independent, fundamental preacher.

Today Rev. Eberhardt is on the road six months of the year, and conducts about 50 revivals and conferences and speaks in Christian schools. Rev. Eberhardt has traveled across the nation as a Bible preacher and teacher, and has been interviewed on radio and television. He has several published pamphlets including his personal testimony entitled, "I Wanted to Serve God as a Priest."

During the remainder of the year Rev. Eberhardt conducts Bible studies, prepares tapes for the Gospel Outreach ministry and produces a radio broadcast aired weekly on WJTV in Dubuque, Iowa. The ministry distributes 200,000 pieces of literature every year, according to a spokesman for the evangelist.

Rev. Eberhardt will be teaching on Sunday at 9:45 a.m. He will preach on Sunday at 10:45 and each night Sunday through Wednesday at 7 o'clock. There will be special music in the services. All sessions are open to the public, and a nursery will be provided. For information or transportation, call the church at 931-0964. Rev. Wayne Musatics, host minister added.

## Speakers announced for Lincoln dinner

Congressman Vin Weber (R-Minn.) has agreed to join Lieutenant Governor George Ryan as a featured speaker for the annual Madison County Lincoln Day Dinner, March 15th.

Cong. Weber was pictured in the Feb. 25th issue of U.S. News & World Report as one of the Young Turks flexing their muscles in the Congress. He is a founder of the Opportunity Society, along with Congressman Jack Kemp and Congressman Newt Gingrich. Weber was an important member of the 1984 Republican Platform Committee. He is known as an outstanding speaker.

Lt. Gov. Ryan has been active helping individual citizens obtain assistance from state agencies. He

has been particularly concerned with the problems of drug abuse and the elderly. Ryan was formerly Republican leader in the state legislature and speaker of the house. Senator Frank Watson, Representative Tom Rydell will be special guests.

The Madison County Republican Lincoln Day dinner is the largest Lincoln event south of Springfield. The smorgasbord buffet dinner will be at the Lewis & Clark Restaurant in East Alton at 7 p.m., preceded by a social period beginning at 6 p.m.

Tickets are \$15 per person and can be obtained from republican precinct committeemen. Locally, DeDon Groothuis at 797-0460 or John Huber at 452-4764 can be contacted for tickets.

## Merchants warned of error in tax forms

An error in the tax reporting forms supplied to merchants for January, February and March has been called by Hugh E. Muncy, president of the Illinois Retail Merchants Association.

"When Governor Thompson signed into law the bill establishing a soft drink tax last year, he also enacted an increase in the retailer's sales tax collection allowance—effective Jan. 1—from 2.0 percent to 2.1 percent," Muncy said. "The tax reporting forms for the first three months of the year do not account for the additional one-tenth percent."

The association became aware of the problem when members began calling to indicate they did not see the additional allowance authorized on forms they are currently completing. IRMA had begun alerting its members to the new allowance rate last summer and included this change in its year-end "look-ahead" feature in the publication, "Retail News Briefs."

"We have been in touch with State Department of Revenue Director Tom Johnson and anticipate the department will move quickly to correct this error," Muncy commented.

Retailers are on various payment schedules for their sales tax collection.

The highest volume stores pay four times each month; the majority remits on a monthly basis. However, the lowest volume operators may pay annually.

The law authorizing the higher collection allowance was enacted at the end of the 83rd General Assembly regular session and signed by Governor Thompson, July 3. The retailers' collection allowance is recognized as a partial reimbursement of the costs stores incur as a result of the responsibilities imposed on them to collect and remit Illinois Retailers' Occupation Tax. IRMA worked with General Assembly members and the Thompson administration to bring about the new 2.1 percent allowance rate.

"It is most unfortunate that the forms now in retailers' hands are inaccurate," the association president stated. "We have been advised the department has issued a special informational bulletin to all who are required to collect and remit sales tax. IRMA will keep retailers advised as the state advised as to how they should proceed to get the full allowance authorized by law."

The Illinois Retail Merchants Association is the only statewide organization serving the interests of all phases of retailing in Illinois.

## School board completes interviews for superintendent

Granite City Board of Education members have completed interviews with five candidates for district school superintendent. Superintendent Kelly Hogan expects that the board will narrow the field to one or two by March 5.

Originally, the board was considering six candidates, but one of the six withdrew, leaving five out-of-district candidates in the running.

Board members talked with the final two candidates Saturday.

The new superintendent is to take over July 1 for Superintendent Frank L. Kraus, who is retiring June 30.

Earlier, a three-member Illinois Association of School Boards' search

committee trimmed the original list of 28 candidates to six.

The Granite City Board of Education hopes to make a decision on the new superintendent by March 12, a date set by an earlier timetable. However, board members admit that plans to visit the candidates' city or cities may set the decision date back.

In other action Saturday, the board released a teacher at Nidmingsha School after discovering that she was not certified to teach at an elementary grade level. Miss Young was recalled and hired for the position during the middle of the current school year.

The board then recalled Janet K. Wilson to fill the vacancy.

## Health Fair at Lutheran High

Metropolitan Lutheran High School, the first school in Madison County to conduct a Student Health Fair, will again offer the program to area schools and the community.

"Student Health Fair," a program by students, for students was developed by the National Health Screening Council of Volunteer Organizations, Inc. (NHSCVO), a private non-profit organization. The Atlantic Richfield Foundation, national sponsor, helps provide the forms, equipment and supplies needed while in Edwardsville, KITT radio, Vess soft drinks, The Red Cross, and McDonald's are aiding the efforts of MELH. Health professionals from Wood River Hospital will staff a final check-out station helping visitors set goals for healthier lifestyles.

The Health Fair at MELH will

## Gordon supporters planning car wash

The citizens for Gordon committee's fund raising dance was attended by more than 300 supporters, who danced, sang and marched until 1 a.m.

Before the dance, the committee met to finalize plans for the evening and to organize a car wash for Gordon on March 2. Cars, vans or small trucks will be hand washed at 1330 Madison Ave., in the parking lot of Andy's Auto Body from noon until 4 p.m. The cost will be \$2 for cars with Tom Gordon for mayor bumper stickers displayed or \$3 for vehicles without. Bumper stickers will be available at the car wash.

Anyone who would like to volunteer to work at the car wash or has any questions concerning plans for future activities may call 876-7509.

**NEW CYS BOARD MEMBERS.** James Reidelberger, right, president of the Coordinated Youth Services Board of Governors, greets two new members of the board last week prior to their first meeting. At left is attorney Dennis Orsey and at center is veterinarian Tim Holt. Orsey, an attorney with the Illinois Attorney General's satellite office here, is serving a one-year term and Holt, associated with the Bellemore Animal Hospital, will serve three years on the board.

## Former Weber employees get unemployment

Two ex-employees in the office of former Madison County State's Attorney Don Weber have won unemployment benefits.

The Bureau of Employment Security at Edwardsville has ruled that Pat Klein and Shirley Hansel, both of Edwardsville, deserve unemployment compensation after leaving their jobs Nov. 30, Weber's last day as state's attorney.

County officials argued that the women should have stayed on their jobs since they would have been rehired by the new state's attorney, Richard Allen of Granite City. The women testified they believed Allen would not rehire them and they would be embarrassed when Allen told them they were to be replaced. The county has 30 days to appeal the decision.

## GC police charge Madison man, 32

Jimmy R. Greene, 32, of 1629 Fifth St., Madison was turned over by Madison police to a Granite City officer during the weekend on an active warrant alleging failure to appear in court on a misdemeanor charge. The warrant was recalled, however, at a subsequent court hearing.

Enroute to Granite City, reports said Greene began questioning the officer regarding his rights and upon reaching police headquarters, he allegedly became unruly and refused to surrender his belt and shoes.

A scuffle ensued and Greene allegedly fell backward, hitting his head and suffering a small cut, reports said. He was booked on the warrant and also was charged with resisting arrest. At his request, Greene was taken to St. Elizabeth Medical Center for treatment of the cut and returned to jail an hour later.

In a court appearance at 1:30 p.m. Monday, Greene pleaded innocent to resisting arrest and was released on a \$1,000 recognizance bond. The warrant upon which he initially was picked up was quashed.

## PLEADS INNOCENT TO AGGRAVATED BATTERY

An informational document was issued through the Madison County state's attorney's office last week charging Mary Jo Ann Hollenbeck, 33, of 2021 Omaha St., with aggravated battery to a child.

She pleaded innocent in a court appearance and bond was set at \$25,000. A mittimus was issued and she was transferred to the Madison County Jail at Edwardsville.

The felony charge stemmed from an incident last week in which a 12-year-old girl was cut on the palm of her left hand with a steak knife when she put up her hands to apparently defend herself.

The girl was admitted to St. Elizabeth Medical Center for plastic surgery, reports said.

## DAMAGE PICKUP TRUCK

Omar Runk, 1857 Main Ave., reported this week that his 1981 Ford pickup was damaged by a vandal who punctured all four tires, scratched the paintwork and bent the windshield wipers and radio antenna while the vehicle was parked outside the dwelling. Fry marks also were noted around a door lock, he said.

## PISTOL, WATCH TAKEN

Bill Weber of 101 Wilson Park Lane, told police last week, that someone removed his .38-caliber pistol, belt clip, holster and a man's silver watch from his home. There was no sign of forced entry.

## Chemical Safety task force to meet locally

Three public hearings will be held by the State's Chemical Safety Task Force to gain information on safety procedures at industrial chemical plants in Illinois and to measure emergency response capabilities.  
 The Chemical Safety Task Force, appointed by Governor James R. Thompson in December, includes public health and safety, industrial and environmental experts. Illinois Inspector General Jeremy Margolis is the Task Force chairman, with Illinois Environmental Protection

## Group forming plan for city coordinator

Granite City Mayor Paul Schuler told aldermen Tuesday night that a group of businessmen and the Tri-Cities Area Chamber of Commerce are putting together a proposal that will include the requirements for a city coordinator.  
 James Pennekamp, executive vice-president of the Chamber, confirmed the plan Wednesday. Pennekamp said he hopes to have a proposal ready within a couple of months.

## Trial April 8 on bank embezzlement

Trial has been scheduled for April 8 for Shirley Pulley, 37, of Granite City, and Angela L. Colby, 25, of St. Louis, who have pleaded innocent to charges that they embezzled more than \$51,000 from the bank at the Mercantile Tower in downtown St. Louis.

 Because of a Granite City Amateur Ice Hockey Association tournament on Saturday and Sunday, the 1 to 3:30 p.m. public skating session on both days will be cancelled.  
 The other regular skating sessions on both days will not be affected by the tournament. These include a 7 to 9:30 p.m.

## BATTERY IS ALLEGED;

**RELEASED ON BOND**  
 Robert K. Hoffman, 47, of 2124a Delmar Ave., was charged with battery last week after he allegedly struck his wife, Lois, with a fist. He was released after posting a \$52 cash bond.  
 Mrs. Hoffman was interviewed at St. Elizabeth Medical Center, where she was being treated for abrasions and a possible jaw fracture. She was advised to come to police headquarters and sign a complaint, but she apparently returned home, where she alleged being struck again in the left eye.  
 A complaint was signed after the second incident and Hoffman was arrested.

Agency Director Richard J. Carlson serving as the task force's vice-chairman.

The public hearing schedule is: Thursday, February 28, at the State of Illinois Building, 160 N. LaSalle St., Room 1818, Chicago, 9 a.m. to 5 p.m.; Friday, March 1 at the Springfield City Council Chambers, 300 S. Seventh St., 9 a.m. to 5 p.m., and Wednesday, March 13, at the Collinsville Holiday Inn, Interstate 55-70 and Highway 157, from 9 a.m. to 5 p.m.

The "since the city is acting in good faith, we want to come back with a proposal as quickly as possible," he said.

Pennekamp said the plans being worked are very preliminary at this time. He said the proposal will be presented to the Chamber board for their approval, and then it will be submitted to the mayor and city council.

## 200 at Cruse fund raiser

Von Dee Cruse, candidate for mayor of Granite City in the four-year municipal election, held a fund-raiser at Charlie's Restaurant on Monday evening. The affair was attended by many government figures from state government to the local council.

Those in attendance included: Jim McPike, House majority leader; Emil Toffant, Madison County sheriff; Dick Allen, Madison County state's attorney; David Partney and Dewey Melton, Granite City school board members; Lloyd Bailey, Democratic precinct committeeman and Fifth Ward alderman; Jake Varadian, Fifth Ward alderman and candidate for re-election; and Casmer Skubish, First Ward alderman and candidate for re-election.

Also Jeff Worthen, Granite City Park board member and candidate for Seventh Ward alderman; Darlene Laub, candidate for assessor; Peter Kraus, candidate for Seventh Ward alderman; and Judy Whitaker, candidate for Sixth Ward alderman.  
 In addition to all these officials there were 200 people in attendance, Cruse said.

## FTA WARRANTS SERVED

Kenneth Boyd, 19, of 1040 Douglas Ave., Venice, was arrested by Venice police last week at the intersection of Weaver and Calhoun streets. He was served with a warrant from the Venice Police Department alleging failure to appear in court on a disorderly conduct charge, a warrant from the Madison Police Department alleging failure to appear in court on a retail theft charge and a warrant from the Madison Police Department alleging failure to appear in court on a disorderly conduct charge. He was transferred to Madison County Jail at Edwardsville.

## Former provost of GCC to serve as as BAC ambassador

Wilbur Trimpe, past interim provost of Belleville Area College's (BAC) Granite City Center (GCC), will remain with BAC, serving as an ambassador for the college. His office will remain at GCC, where he will continue to work as a consultant. As an ambassador for the college, Trimpe will serve as a liaison to the Illinois legislature, as well as to the schools in BAC's school district. He will also consult with the college's administrators on educational meetings, such as regional superintendent, trustee and president at council meetings.

**TRIMPE, THE** interim provost of Belleville Area College's Granite City Center from July 1984 to January 1985, handed over the responsibility for the position to Don Kassing recently.

Trimpe, in an informal ceremony, handed his GCC keys to BAC President Dr. Bruce R. Wissore to symbolize the end of his service as interim provost for the center. Dr. Wissore then handed the keys to GCC's new provost, Don Kassing. As interim provost, Trimpe was instrumental in GCC's continued success.

**UNDER HIS** management, enrollment at the center increased. In fall 1984, enrollment was 3.9 percent higher than it was the year before, Don Kassing said. He said GCC's enrollment was 16 percent of the total fall enrollment for the entire BAC district.

In addition to his administrative duties, Trimpe helped promote special campus programs such as the Job Training Partnership Act. He helped in expanding the number of agencies and people involved in this program.

Trimpe, who began his educational career as a rural school teacher in Mason County, Ill. in 1924, has served Illinois' educational system for over 60 years. In 1927, he became an elementary school principal, teacher and coach in Forest City and Manito, Ill.

**HE WAS NAMED** superintendent of schools in Havana, Ill. in 1929. In 1930, he was named superintendent of Community Unit No. 8 in Bethalto, where a junior high school was named for him.

In 1959, he became county superintendent of schools for Madison County and in 1968 he was named regional superintendent of schools.

schools.

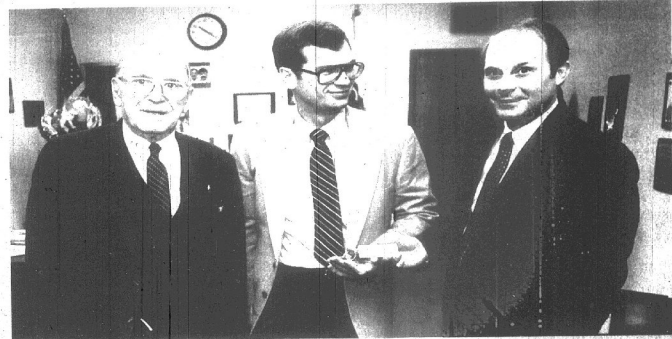

In 1973, he was named President of Lewis and Clark Community College in Godfrey. He served as that college's president until 1983, when he retired.

**SINCE HIS** retirement he has been affiliated with BAC, visiting school superintendents, principals and elected officials of BAC's district to make them aware of what the college is doing.

In July 1984 he was named interim provost when former Provost Frank Gornick left.

Trimpe's educational background includes a bachelor's degree from Western Illinois University, a master's degree from the University of Illinois and advanced coursework toward a doctorate degree at the University of Colorado and Southern Illinois University.

He lives in Bethalto with his wife, Wanita. They have one son, Dale.

**HANDING OVER PROVOST DUTIES.** Wilbur R.L. Trimpe (left), interim provost of Belleville Area College's Granite City Center, watches BAC President Dr. Bruce R. Wissore (center) hand the keys to the center to Don Kassing (right), GCC's new provost. In this informal ceremony, Trimpe symbolically handed over the responsibilities of provost to Kassing. ### SIU at Edwardsville

**THE STUDENT PROGRAM BOARD** and the Faculty Club of Southern Illinois University at Edwardsville will present "A Night of Comedy," Friday, March 8. The comedy begins at 8 p.m. in the Faculty Club. Comedians that will perform include Kevin Walsh, Dave Graziano and Kevin McAlister from the Funnybone Comedy Club in St. Louis. Admission is \$2 for SIUE students, faculty and staff, and \$3 for the public. A cash bar will be open. For more information, interested persons may call the SPB at 1-692-2617.

### Other area colleges

**DAWN SMITH OF MADISON** has announced that she will attend Monmouth College, Monmouth, Ill., beginning with the spring term in March. The daughter of Mrs. Barbara Smith is currently a senior at Madison Senior High School, where she is a member of the National Honor Society and senior class vice president. She is also active in student council, language club, swing choir, drama club, yearbook staff and cheerleading.

**PHILIP A. THEIS**, son of Mr. and Mrs. Philip Theis of Granite City, has been named to the dean's list at Bradley University, Peoria, Ill., for his academic achievements during the fall semester.

**CATHY GRAVILLE** of Granite City, has been named to the dean's list at Eastern Illinois University, Charleston, Ill., for the 1984 fall semester. She is the daughter of Mr. and Mrs. Gilbert Wamsley of Granite City, and the daughter-in-law of Mr. and Mrs. Dan Graville of Edwardsville. Mrs. Graville is a sophomore at the college, studying nutrition, dietary and chemistry.

**MARK HAWKINS**, son of Dr. and Mrs. Hubert (Helen) Hawkins of Nameski Township, is now attending the University of Illinois, Chicago, where he is a 1984 graduate of St. Louis University, where he received a bachelor of science degree in biology. He is currently working toward his Doctor of Dental Surgery (D.D.S.) degree, which he should receive in 1988. Hawkins is a 1980 graduate of Granite City High School North, where he was an honor student.

### Workshop focus will be divorce

Divorce will be the topic at a free workshop to be presented Tuesday, March 5, at Southern Illinois University at Edwardsville.

The workshop will acquaint participants with the process of filing for divorce without incurring the expense of a lawyer. It will meet from 1:30 to 3 p.m. in the Maple Room of the University Center.

Barbara Joiner, attorney for Stu-

dent Legal services, will conduct the workshop. The workshop is presented as part of the student activities Leadership training Series, designed to provide assistance to campus organizations and the general public.

For additional information about the workshop, interested persons should contact the Student Activities Office at 1-692-2686.

### Benefit dance to be held at SIUE

A benefit dance for Donna Mugge, a 16-year-old Godfrey, Ill., will be sponsored by Gamma Sigma Sigma service sorority at Southern Illinois University at Edwardsville, Friday, March 1. The dance will begin at 8 p.m. in Meridian Ballroom in the University Center.

Entertainment for the benefit will feature the band "Puppets." Tickets are \$4 for students and \$5 for non-students; they can be purchased at Alton and Edwardsville high schools, in the University Center, or at the door. The public is welcome to attend.

**ALL PROCEEDS** from the dance will be given to the Mugge family for payment toward Donna's hospital bills. She was injured in an accident near her home last May when she was thrown 200 feet after being struck by a speeding motorcycle, according to Susan Camarata, president of Gamma Sigma Sigma. Rushed by helicopter to Children's Hospital in St. Louis, Donna underwent hours of surgery because her pelvic bone was completely shattered, Miss Camarata said.

In January, Donna underwent a delicate and rare operation of reconstruction; it is not yet known if it was completely successful. Miss Camarata said, "Donna's parents are elderly and do not work. They have a huge hospital bill that they cannot afford to pay," the sorority president explained.

Any contribution is welcome, Miss Camarata said. Those interested in sending a donation should make checks payable to: "Benefit Dance for Donna Mugge," and send to: Gamma Sigma Sigma, Southern Illinois University, Box 80, Student Activities Office, Edwardsville, Ill.

## SIUE to host three-day alcohol awareness events

Southern Illinois University at Edwardsville will hold a three-day conference on alcohol awareness, March 5 through 7.

Sponsored by the Office of Student Activities, the events are scheduled in the Goshen Lounge of the University Center.

**REPRESENTATIVES** from various interest groups in the area, including RID (Removing Intoxicated Drivers), the Hyland Center,

the Edwardsville High School chapter of Students Against Drunk Drivers, Plasa Health Care, the East Side Mental Health Clinic and the University Police, will be on hand to discuss the problems of drinking.

All of the activities are free, and the public is encouraged to attend. The schedule of events for Tuesday, March 5, includes a presentation by Tom Trudel from Anheuser-Busch

at 10 a.m. Trudel will discuss the "buddy" system and responsible drinking.

At 11:30 a.m., members of RID will discuss the RID program and new legislation regarding DUI (driving under the influence), followed by a presentation by Mike Powers from the Hyland Center at noon, providing information on how people can seek help with alcoholism.

**JEAN SCHRAM**, a counselor from

the Plasa Health Care Center, will explore alcoholism treatment alternatives, beginning at 1:30 p.m.

Beginning at 2:30 p.m., members of the Edwardsville High School chapter of Students Against Drunk Drivers will present a program on the activities of the SADD unit.

The schedule of events for Wednesday, March 6, includes a presentation at 10:30 a.m. by Elizabeth Dotson, East Side Mental Health Clinic in East St. Louis, on the special problems of women and alcoholism.

At 11:30 a.m., Tau Kappa Epsilon fraternity and members of the University Police will give demonstrations on field sobriety testing procedures.

The events for Thursday, March 7, will include a presentation by a representative from Radio KY30-PM on the "Designated Drivers" Program at 10 a.m. RID members will repeat their presentation at 10:30 a.m.

At 11:30 a.m., a skit entitled "A Conversation With Three Bodies" will be presented by the Student Experimental Theater, the Office of Student Activities, the Illinois State Police, and the U.S. Air Force. The skit will reconstruct accidents involving drunk drivers in which three people have died.

Additional information may be obtained by contacting the SIUE Office of Student Activities at 1-692-2686.

## SIUE to offer courses in real estate

fered on Tuesdays in Room 0408 of Peck Classroom Building, beginning April 16 through May 14. Registration is \$60.

**APPRAISAL CLASSES** will be held on Wednesdays in Room 0307 of Peck Classroom Building, beginning April 17 through May 15. Registration is \$60.

All classes will meet from 6:30 until 9:30 p.m. Satisfactory completion of real estate transactions will meet the 30-hour course requirement for taking the Illinois salesperson license examination. Satisfactory completion for the other four courses will apply toward the 90-hour requirement for taking the Illinois broker license examination.

Additional information may be obtained by contacting the SIUE Office of Conferences and Institutes at 1-692-2660.

## BAC announces top math students

Bruce Holt of Granite City, a student at Belleville Area College, ranks first in the top part of the nation after the first part of the national mathematics examination sponsored by the American Mathematical Association of Two-Year Colleges.

Another BAC student, Oliver Bell, is ranked first in the nation, and Ron Fischer is tied for second.

**THEIR OUTSTANDING** performances helped BAC rank first in the nation after the first part of the three-part examination was taken and scored.

The examination is open to any student enrolled in at least one math class at the college. The five highest scores are used for competition ranking.

Belleville Area College's five leading students were Bell, son of Mr. and Mrs. Richard E. Bell of Belleville; Fischer, son of Mr. and Mrs. Robert W. Fischer of Belleville; Carla Boeckman, daughter of Mr. and Mrs. Charles

Boeckman of Belleville, tied for tenth in the nation; Bruce Holt, son of Mrs. Leland Holt of Granite City, and Timothy Waters, son of Mr. and Mrs. William E. Walters of Collinsville.

**'Romancing the Stone' set at SIUE**

"Romancing The Stone" (PG) is scheduled at Southern Illinois University at Edwardsville, March 1 and 2.

The film will be shown March 1 at 7 and 9:30 p.m., and March 2 at 7 p.m. All showings will be in the Science Building auditorium.

**TICKETS ARE \$1** for SIUE students with identification and \$1.50 for non-students. They may be purchased in the University Center's Union Station.

Directed by Robert Zemeckis, the movie stars Kathleen Turner, Michael Douglas, Danny DeVito, Zack Norman, Alfonso Arau, Manuel Oleda and Mary Ellen Trainor.

When Joan Wilder (played by Kathleen Turner), a writer of best-selling Gothic romances, journeys to Colombia in a desperate attempt to rescue her sister from kidnappers, she becomes involved in an adventure far more exciting than any of her published fantasies.

**DANNY DEVITO** and Zack Norman are the flamboyant villains who demand as ransom a treasure map showing the location of an enormous emerald.

Academy award-winner Michael Douglas is the dashing hero who helps Turner escape crocodiles, snakes, mountain bandits and the local police as she races through the jungle to save her sister.

Inquiries concerning any of the films scheduled by the SIUE Student Program Board may be obtained by calling 1-692-2617.

**Stop smoking clinic offered**

Smokers are being invited to attend a Stop Smoking Clinic beginning Monday, March 4, at St. Elizabeth's Hospital, 211 S. Third St., Belleville.

This four-session clinic will be from 7 to 9 p.m. on March 4, 6, 12 and 14 in the hospital's Centennial Room. Free pulmonary function testing will be offered during the first session on March 4.

Each session will feature a speaker, film, group discussion and behavior modification exercises. Topics include physiological implications of smoking, stress and making positive life changes and weight control.

The Stop Smoking Clinic is sponsored by St. Elizabeth's Hospital and the American Cancer Society. There is a \$25 fee, payable at the door, which covers material for all four sessions.

Pre-registration for the clinic is requested. To register or for more information, interested persons may call St. Elizabeth's Hospital, 1-234-2120, extension 1357.

**REPORT FINDING DOOR OPEN AT GAME ROOM**

Everett Jolly, operator of the Game Room, 1229 Madison Ave., Madison, reported to Madison police that three youths were in the establishment playing video games when he arrived to open up the business early this week.

The youths said the front door was open when they arrived and so they walked in. Jolly alleged a total of \$30 was missing from the cash drawer.

If you believe a handshake is still the most binding contract of all and are seriously considering selling your house, we urge you to call us.

We're your local CENTURY 21 Neighborhood Professionals. When we agree to sell your house, we provide you with a written document called the CENTURY 21 Action Warranty. It spells out in clear, concise language 10 important services we must perform or you can cancel your listing. But even more important to us than the document, is our handshake. That handshake is a binding personal contract. We take it very seriously.

That's why when we say "We'll Give Our Word To You" it has two meanings. And we mean them both.

**My Sincere Thanks To**  
**Tom Gordon**  
 And  
**Madison City Officials**  
 for the beautiful floral arrangement sent to me during my recent stay in the hospital. Their thoughtfulness and kindness was very much appreciated.  
 A Special Thanks also to the Madison Lions Club for their cards and kind words. It's people like them who make our community special.  
 Thank You again.  
**Jim Riskovsky**  
**714 Madison**

**WE WISH to thank our kind friends and neighbors for their acts of love and sympathy during our recent loss of mother, ADELLA M. GRABNER. We also extend grateful thanks for the beautiful floral tributes to our loved one. Special thanks to Rev. Paul Surbey, pastor of St. John's, and Thomas Mortuary, - Shirley Jones and Eleanor Bickell. 31 28  
**THE FAMILY OF CLYDE STEPHENS** wishes to thank all their friends, neighbors and relatives for the love shown to us in the loss of our love. Also, for the beautiful floral arrangements, cards, food and memorial donations. Special thanks to Dr. Paramedics, St. Elizabeth Medical Center, Irwin Mortuary for their understanding and help, pallbearers Drs. Blankenship, Sheikh, Azzam and Pastor Pauline for his thoughtfulness. May God bless you all. 31 28  
**THE FAMILY OF KAY JOHNSON** GATHING wish to express their sincere thanks to friends, neighbors and relatives for their kindness, floral offerings, food and prayers. A special thanks to the Sisters of St. Elizabeth Hospital, nurses on 5th floor, Betty, Mark and Mary City Hospice, Dr. Harmon, Dr. Popovic, Father Jim and Father Philip. 31 28  
**IN LOVING memory of MAURINE COCHRAN**, Feb. 28, 1980. - Sadly missed by son, Jack. 32 28  
**IN MEMORY OF PAT SCROGGINS**, Feb. 28, 1982. - Robert Lambert and Hiran Marcum Families. 32 28  
**IN LOVING memory of our dear precious daughter, JAN SHANKLE**, Feb. 28, 1975. How can we put in simple words, the feelings in our heart. Expressing how we miss you Jan, these 10 years we've been apart. We try to think of happy times, when you were here with us, we know it is what you would want, so carry on we must. But sometimes our sorrow will break through, as parents of a special girl, we always will miss you. - Sadly missed by Mom and Dad. 32 28  
**IN LOVING memory of our dear niece, JAN SHANKLE**, who went to be with the Lord, Feb. 28, 1975. Very sadly missed by Aunts, Uncles and Cousins. 32 28  
**REMEMBERING my dear sweet mom, CARRIE SUGG**, passed away March 1, 1976. - Sadly missed by Arlette, "Head" and Reynolds. 32 28  
**IN LOVING memory of BOBBY GAFFORD**, March 1, 1981 (I cannot think of him as dead, who walks with me no more along the path of life I tread, he is still before me. Time no death can free me, for in life we walked together. - Sadly missed by wife, Eleanor Gafford, Daughters and Grandchildren. 32 28**

**Memoriams** 32  
**IN MEMORY OF PAUL DORNEY**, who passed away one year ago, March 3, 1984. Our hearts still ache with sadness, and his tears still flow, what it meant to lose him, none will ever know. We cannot know the pain he lived without a single sigh, we only know he passed away and could not say goodbye. Each time we see his picture, he seems to smile and say, "don't cry, I'm here with you." We miss you again some day. - Sadly missed by wife, daughters, Mildred, Betty and Pauline. 32 28  
**IN MEMORY OF DESSIE MCAMISH**, March 3, 1977. Within our book of memories are loving thoughts of you, and all the dear and thoughtful things you often said and did, and as we turn the pages and recall each single thought, we realize the happiness your love always brought. There are memories of your laughter and of your warm and cheery smile, that chase away the gray clouds and make life more worthwhile. There are memories of your kindness of your warm and tender touch, your sweet and gentle ways that we love that we loved so very much. And when we recall the memories everyday they're dearer still, for we loved you then, we love you now, and mother we always will. Sadly missed by Mr. and Mrs. William A. McAmish, Mrs. Gladys McAmish, Mrs. Mary Grace Rada, Mr. and Mrs. Dale G. Scott, Grandchildren and all who loved her. 32 28

**IN MEMORY OF my dad, BOBBY GAFFORD**, March 3, 1983. Although it has been two years my eyes still feel with tears. As I think of the day God took you away, it came as such a shock, for I thought you solid as a rock, and as the years go by, I'll try not to cry for memories of you shall not make me blue, because to me you were the best dad that could ever be. - Sadly missed by Janet. 32 28  
**IN LOVING memory of** the said suit is now pending.
